BIDDER'S CERTIFICATION

I acknowledge receipt of this Addendum No. 2 and accept all conditions contained herein.

Bidder

By:

- 1) Section 02513, "Asphaltic Concrete Paving", Part 3.05, "Parking Area Striping", is amended to include the following:

"The Contractor shall be responsible for the replacement of any and all traffic stripes, pavement markings and pavement markers removed or damaged during the duration of the project."

- 2) Section 02513, "Asphaltic Concrete Paving", Part 4, "Payment" is amended to state the following:

"All compensation for furnishing all labor, materials, tools and incidentals for doing all the work for this Section shall be included in the contract unit price paid for sanitary sewer lateral, and no separate payment will be made therefore.

- 3) Section 16010, "General Electrical Requirements", Part 4, "Measurement and Payment" is amended to state the following:

"Full compensation for furnishing all labor, materials, tools and incidentals for doing all the work for this Section, including but not limited to, trenching, boring, fees, permits, inspections, installation of temporary and permanent lighting equipment, conduits, pull boxes, wiring, performance of testing, and coordination of work as specified in this section shall be included in the contract price paid for electrical system modifications, and no additional compensation shall be allowed therefore."

- 4) Section 13600, "Restroom Building", Part 4, "Payment" is amended to state the following:

"All compensation for furnishing all labor, materials, tools and incidentals for doing all the work for this Section and all costs associated obtaining the required restroom building permit shall be included in the contract price paid for restroom, and no separate payment will be made therefore.
