This project is focused on the establishment of a community-oriented venue at 2511 Delta Fair Blvd, Antioch, CA. The facility will operate with the following consistent weekly hours:

- **Monday:** Leadership Building Meetings from 7 PM to 9 PM
- **Tuesday:** Dance Team Practice from 7 PM to 8 PM

In addition to regular weekly meetings, one annual event titled "I Love My City" will be organized. This community event aims to foster unity among Antioch citizens and is typically held at various outdoor locations throughout the city.

We would like to emphasize that no other events will take place at this location, ensuring a focus on the aforementioned activities. Our weekday activities are expected to have a modest attendance of approximately 50 to 100 participants, enabling us to provide sufficient parking and promote an organized environment for all attendees.

We look forward to your support in advancing this community initiative that aims to enrich the social fabric of Antioch.

Thank you for your consideration.
