How to Use this Document

If you are a Community Member

For community members who are interested in learning about the City of Antioch’s blueprint for addressing the housing needs of the community, *Chapter 7, Housing Goals, Policies, and Programs* will help you understand the goals and key strategies the City will be undertaking between 2023 to 2031. Additionally, Chapters 2, 4, and 5 have detailed information about the City’s housing needs, relevant constraints to housing production and preservation, and available resources to assist in this production and preservation. *Chapter 3, Affirmatively Furthering Fair Housing (AFFH)*, contains a summary of fair housing related issues identified throughout the community, while a full comprehensive analysis is contained within *Appendix B*.

If you are a Property Owner or Developer

Property owners and developers who are interested in developing housing in the City of Antioch should become familiar with the Plan’s overall policy framework, as described in *Chapter 7, Housing Goals, Policies, and Programs*, as well as the Housing Sites Inventory included within *Chapter 6, Adequate Sites* and *Appendix C*.

If you work for the City

If you are an elected City official or City staff, you are responsible for guiding property owners and developers in their development decisions and applications and implementing the Goals, Policies, Programs, and Actions in this Housing Element. The City will use this plan to guide its work over the 2023-2031 planning period.
