

**PLANNING COMMISSION  
RESOLUTION # 2022-22**

**RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF ANTIOCH  
RECOMMENDING THE CITY COUNCIL APPROVE A USE PERMIT FOR A NEW CANNABIS  
DISPENSARY AT 2615 SOMERSVILLE RD. (APN: 076-432-016)  
(UP-22-09)**

**WHEREAS**, the City of Antioch (“City”) received an application for a new cannabis dispensary at 2615 Somersville Rd. (UP-22-09) date received May 16, 2022; and

**WHEREAS**, the application was deemed complete on June 24, 2022; and

**WHEREAS**, the subject site is located in the CB 3 Somersville Overlay District which allows for retail cannabis dispensaries subject to approval issuance of a Use Permit pursuant to Section 9-5.3845 of the Antioch Municipal Code; and

**WHEREAS**, a Type 10 Cannabis Retailer license is required through the Department of Cannabis Control; and

**WHEREAS**, the project is Categorically Exempt from CEQA pursuant to Section 15332 “Infill Development Projects” of the CEQA Guidelines; and

**WHEREAS**, a public hearing notice was published in the East County Times and posted in three public places pursuant to California Government Code Section 65090 on August 5, 2022 for the public hearing held on August 17, 2022; and

**WHEREAS**, the Planning Commission held a public hearing and considered all public comments received, the presentation by City staff, the staff report, and all other pertinent documents regarding the proposed request.

**NOW, THEREFORE, BE IT RESOLVED AND DETERMINED**, that the Planning Commission hereby make the following findings for approval of the requested Use Permit pursuant to Section 9-5.2703 “Required Findings” (B) (1) of the Antioch Municipal Code:

- a. The granting of such use permit will not be detrimental to the public health or welfare or injurious to the property or improvements in such zone or vicinity.

**Finding:** The proposed cannabis distribution includes operational Conditions of Approval to minimize impacts including on-site armed security at all times with annual audits of the site security plan. The business shall also maintain on-site odor control so that cannabis related odors are not readily detected outside the structure. Based upon the conditions imposed, the cannabis dispensary use will not create adverse impacts to the surrounding businesses and residents.

- b. The use applied at the location indicated is properly one for which a use permit is authorized.

**Finding:** The property is zoned CB 3 Somersville Cannabis Overlay District. This district allows cannabis dispensaries with the approval of a use permit from City Council.

- c. The site for the proposed use is adequate in size and shape to accommodate such use, and all yards, fences, parking, loading, landscaping, and other features required.

**Finding:** The project has been designed to an existing commercial building in the CB 3 Somersville Cannabis Overlay District. On-site parking is provided and the site has a secure area for cannabis deliveries.

- d. That the site abuts streets and highways adequate in width and pavement type to carry the kind of traffic generated by the proposed use.

**Finding:** The subject site is located on Somersville Rd. which is an arterial roadway. The roadway is adequate to support the trip generation and vehicle flow associated with the operation of a cannabis dispensary. The project site is served with right turn and right turn out access and has two-way directional on-site circulation.

- e. The granting of such use permit will not adversely affect the comprehensive General Plan because the proposed uses and design are consistent with the General Plan.

**Finding:** The use will not adversely affect the comprehensive General Plan because the project is consistent with the Regional Commercial General Plan Land Use designation.

**NOW THEREFORE BE IT FURTHER RESOLVED** that the Planning Commission hereby makes the following additional finding pursuant to Section 9-5.3845 (D) (1) "Cannabis Businesses" of the Antioch Municipal Code:

- (1) That the location and site characteristics of the proposed cannabis business are consistent with all applicable state laws and city standards or guidelines, that all provisions have been made to ensure that the operation of the cannabis business will not create excessive demands for police service or other public services, and that the cannabis business will benefit the city.

**Finding:** The conditions of approval on the project are consistent with the cannabis guidelines. The security plan has been reviewed by the Antioch Police Department and security conditions have been included per their direction. The revenue generated through the required operating agreement will provide a financial benefit to the City of Antioch.

**NOW THEREFORE BE IT FURTHER RESOLVED** that the Planning Commission hereby recommends the City Council **APPROVE** UP-22-09, a Use Permit for a new cannabis dispensary at 2615 Somersville Rd. (APN: 076-432-016) subject to the Conditions of Approval attached hereto in Exhibit A.
