Major Trackwork between Rockridge and Lafayette on weeknights and weekends

- Between April and July 2020, BART crews will work around the clock to replace aging equipment between Rockridge and Lafayette.
- BART will close trackway between Rockridge and Lafayette on select weekends. Free bus bridge will be provided.
- BART may close up to two lanes of EB or WB 24 on track closure weekends and select weeknights in late night and early morning hours. Work will not require daytime lane closures.
- Please plan accordingly using BART Trip Planner at bart.gov/planner or on the Official BART App.
- For full information on the weekend delays, please visit bart.gov/schedules/advisories.
