WHEREAS, existing, voter-approved funding has maintained basic public safety services in Antioch such as police, emergency response, and code enforcement services; and

WHEREAS, the City has solicited public input on priorities, and the community has said it wants the City to increase investment in code enforcement, cleaning up blight, road repairs, youth/senior services, ensuring water quality, and attracting new business and jobs to Antioch; and

WHEREAS, by addressing these quality-of-life priorities, the City can reach its potential for a safe, clean, beautiful place to live; and

WHEREAS, we must continue to keep Antioch safe by maintaining reliable funding for police patrols, 911 emergency response, youth violence and gang prevention, traffic enforcement patrols, and preparing public safety personnel for rapid, coordinated responses to natural disasters; and

WHEREAS, more than one-quarter of Antioch's population is under the age of 18, and many parents commute hours to work each day—the City wishes to expand programs that keep kids off the streets and out of trouble, while providing them safe and healthy places to learn and play; and

WHEREAS, the proposed measure only costs one cent in sales tax for a one-dollar purchase to keep our City safe, clean and well-maintained; and

WHEREAS, this is not a tax on residents' homes or properties; by law, visitors to Antioch share in the cost and critical products such as food purchased as groceries and prescription medications are exempt; and

WHEREAS, all funds raised by this measure are subject to annual independent financial audits and independent citizens oversight to ensure funds are spent responsibly on the community's priorities; and

Section 13. CEQA

The approval of this Resolution is exempt from the California Environmental Quality Act (Public Resources Code §§ 21000 et seq., "CEQA," and 14 Cal. Code Reg. §§ 15000 et seq., "CEQA Guidelines"). The transactions and use tax to be submitted to the voters is a general tax that can be used for any legitimate governmental purpose; it is not a commitment to any particular action or actions. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment. If revenue from the tax were used for a purpose that would have either such effect, the City would undertake the required CEQA review for that particular project. Therefore, under CEQA Guidelines section 15060 review under CEQA is not required.

Section 14. Passage of this Resolution.

This tax is a general tax requiring the approval of a majority of qualified electors casting votes. While the measure lists several of the various municipal purposes to be funded, the list is illustrative only and the Council retains complete discretion to expend the tax proceeds for any lawful purposes for the City of Antioch.
