**User Comments:** “Moved the homes on south side of James Donlon Blvd between Lone Tree Way and Tabora Drive as well as the Contra Loma Reservoir area from District 4 into District 2. Also, moved some homes on south side of Prewett Ranch Dr east of Deer Valley Rd from District 4 into District 3. Needs more adjustments by Q2 to divide the districts between the older neighborhoods which should all be in District 3 and the new homes in the Sand Creek area which should all be in District 4.”

*As drawn, this map currently does not have all census blocks assigned (see District 2).*
