

THE CITY OF ANTIOCH INVITES YOU TO TWO STUDY SESSIONS

The City Council and Planning / Economic Development Commissions will be holding study session meetings as listed below. Public participation is strongly encouraged.

June 2, 2015, 6:00 – 9:00 p.m.

**Downtown Specific Plan
Study Session**

**Nick Rodriguez Community Center
213 F Street**

June 17, 2015, 6:00 – 9:00 p.m.

**City-Wide Land Use Element & Zoning
Update Study Session**

**Nick Rodriguez Community Center
213 F Street**

These are joint study session meetings of the City Council, Planning & Economic Development Commissions. No decisions will be made at these meetings.

The City of Antioch will be holding two separate informational study sessions in June to review and comment on the initial consultant work products. We are seeking community input to help us evaluate these work products, including the Opportunities & Constraints Report, the initial Land Use Alternative Concepts for the Downtown and the initial Policy Alternatives to guide future development and land uses within a number of “focus areas” as part of the City-wide update.

Study Session Meeting Format:

- Opening remarks from staff and presentation by consultants (30 min).
- Questions from City Council and Commissions (1 hour).
- Public Comments (30 min).
- Discussion and input to staff and consultants from City Council and Commissions (1 hour).

Come voice your ideas and opinions and tell us what you see in your city's future!

For more information and to see the meeting materials visit:
