

Have you heard about ***MEASURE O***? Basically, Measure O requires residential ***landlords*** to pay a tax based on the number of units rented. Currently most residential landlords pay no business license tax. If Measure O passes, landlords will pay \$250 per single family unit and \$150 per multi-family unit. Measure O would also increase the minimum annual gross receipts based business license tax from \$25, where it's been since the 1960's, to \$100.

Hotel/motel, hospital, convalescent, extended care (nursing) and residential care (assisted living) facilities are exempt from the proposed per unit business license tax. All non-profit businesses continue to be exempt from the Business License Tax, including not-for-profit low income and senior housing projects. More info on back side.

***ELECTION DAY IS TUESDAY, NOVEMBER 4, 2014.***
