The three components for capacity charges (connection, annex, and storage) are combined into one charge (612-2560.46860) in order to improve administration and reduce the complexity of capacity charge development and implementation. Sewer connection fees are reported in 622-2570.46810. Water Storage Fees, Water Service District Annexation Fees and Water and Sewer Connection Fees will be adjusted using the “Engineering News Record Cost of Construction Index”. The Treated Water Capacity charge (612-2560.46862) was adopted and effective May 14, 2024 per Reso. 2024/64 for new development's purchase of capacity in the Brackish Water Desalination Facility.
