**STAFF REPORT TO THE BOARD OF ADMINISTRATIVE APPEALS FOR CONSIDERATION AT THE HEARING ON OCTOBER 6, 2022**

**Approved by:** Ellie Householder, City Clerk

**Date:** October 6, 2022

**Subject:** Selection of a Preference for Format of Future Meetings:  
Hybrid or In-Person

---

**RECOMMENDATION**

It is recommended that the Board of Administrative Appeals review available formats for future meetings and select a preferred format based on the following options:

- 1) Continue to conduct in-person meetings without video conferencing available to the public. Meetings would be broadcasted on the City website and the public could still participate remotely by calling in to a phone located in the City Council Chambers for the purpose of public comment.
- 2) Move to hybrid meetings, allowing people, including Board Members and Staff to participate virtually via Zoom if they choose.

**FISCAL IMPACT**

This recommended action has no direct fiscal impact at this time.

**DISCUSSION**

At the City Council Regular Meeting on November 9, 2021, Council gave direction for each City Board/Commission/Committee to choose its desired method to meet beginning in December 2021.

At the Board of Administrative Appeals meeting on January 6, 2022, in-person meetings without video conferencing available to the public. Meetings would be broadcasted on the City website and the public could still participate remotely by calling in to a phone located in the City Council Chambers for the purpose of public comment.

During the July 26, 2022, regular meeting of the City Council, Council adopted a resolution that allows commissions, boards, and committees can continue holding virtual meetings or hybrid meetings in compliance with the following more flexible standards:

- The City is not required to provide a physical location for the public to attend or provide comments.

- Public access to the meeting via a call-in or an internet-based service option must be allowed, but the City is not required to have members of the public attend at each teleconference location.
- The City is only required to notice and post an agenda in accordance with the Brown Act provisions for in-person meetings. The agenda shall identify and include an opportunity for all persons to attend via a call-in option or an internet-based service option.
- When notice of the time of the teleconferenced meeting given or the agenda for the meeting is posted, the City shall also give notice of the means by which members of the public may access the meeting and offer public comment.
- The City must provide an opportunity for the public to address and offer comment in real time and cannot require all public comments to be submitted in advance of the meeting.

Staff is requesting the Board of Administrative Appeals give direction on its desired method to meet moving forward. There are two available options:

- 1) Continue to conduct in-person meetings without video conferencing available to the public. Meetings would be broadcasted on the City website and the public could still participate remotely by calling in to a phone located in the City Council Chambers for the purpose of public comment.
- 2) Move to hybrid meetings, allowing people, including Board Members and Staff to participate virtually via Zoom if they choose.
