Interim City Attorney Richie announced that this was intended to be regular scheduled meeting of the Planning Commission; unfortunately, due to a variety of different circumstances, they were unable to conduct business because the Commission did not have a quorum present. As a result, proceeding would not yield any decisions that could be upheld so the meeting would not convene and the agenda items planned for this meeting would be renoticed for a future meeting. He thanked everyone for attending and apologized on behalf of the Commission, for the inconvenience. He recognized that everyone's time was important and this was just an unfortunate circumstance.

Respectfully submitted:

Kitty Eiden
