MINUTES

A quarterly meeting of the Block Captains was held on January 23, 2006, in the Antioch City Council Chambers (W. 2nd and H Streets)

Agenda Item #1 - Introductions

Commission Chair Vasquez welcomed all the Block Captains and guests to the meeting. All in attendance gave a brief introduction of themselves.

Agenda Item #2 – 2006 National Night Out – Weekend date vs. Weekday date

Chair Vasquez requested from the Block Captains their feelings about moving the National Night Out activity to a weekend date instead of the traditional first Tuesday night in August date.

A discussion ensued regarding the pros and cons of moving the date to a weekend time. Some of the points brought out are: many people have other plans for the weekends in the summertime; Tuesday night coincides with the National celebration; law enforcement representation would occur on either date; possibility of having it Friday night so there would not be work the next day; the heat issue during the daytime; the late start issue on a weekday because of people commuting. Also discussed were options of having just a few large joint gatherings.

The consensus of the Commission is to have the Commission members contact their block captains to get their input and make a decision at the next Block Captains Meeting on April 17th

Agenda Item #3 – Joint Block Captains'/Commission Members Discussion Group

The Commission Members and Block Captains met to discuss issues within their beats.
