**STAFF REPORT TO THE
PARKS AND RECREATION COMMISSION**

DATE: Regular Meeting of February 20, 2020
TO: Parks and Recreation Commission
SUBMITTED BY: Nancy Kaiser, Parks and Recreation Director *Nancy Kaiser*
SUBJECT: **DISCUSSION REGARDING PLACEMENT OF NO SMOKING SIGNS IN ANTIOCH PARKS FOR 2020**

RECOMMENDED ACTION

It is recommended that the Parks and Recreation Commission discuss locations for the placement of “No Smoking” signs in Antioch Parks; to be installed spring of 2020.

DISCUSSION

In 2018, The Parks and Recreation Commission recommended that Antioch parks become smoke free and requested that staff explore the possibility of implementing a such a ban. In 2019, staff recommended that the City implement the Antioch Municipal Code, Chapter 6-8.04 which regulates smoking in areas. Additionally, Chapter 10-2.04 authorizes the Parks and Recreation Director to implement temporary rules in the interest of public health. As a result, no smoking signs have been posted at various park playgrounds to prohibit smoking in close proximity to where children play.

Smoking is banned completely inside public buildings including community centers. The Antioch Water Park prohibits smoking due to the proximity of pool chemicals. Waldie Plaza and Antioch Community Park also prohibit smoking.

In January 2019, the Commission recommended that no smoking signs be added to several playgrounds. The following priority park playgrounds were recommended: City Park, Harbor Park, Hansen Park, Williamson Ranch Park, Prosserville Park, Contra Loma Estates Park and the Prewett Park playground. The Public Works Department has an inventory of no smoking signs and staff installed the signs in the spring prior to the summer season.

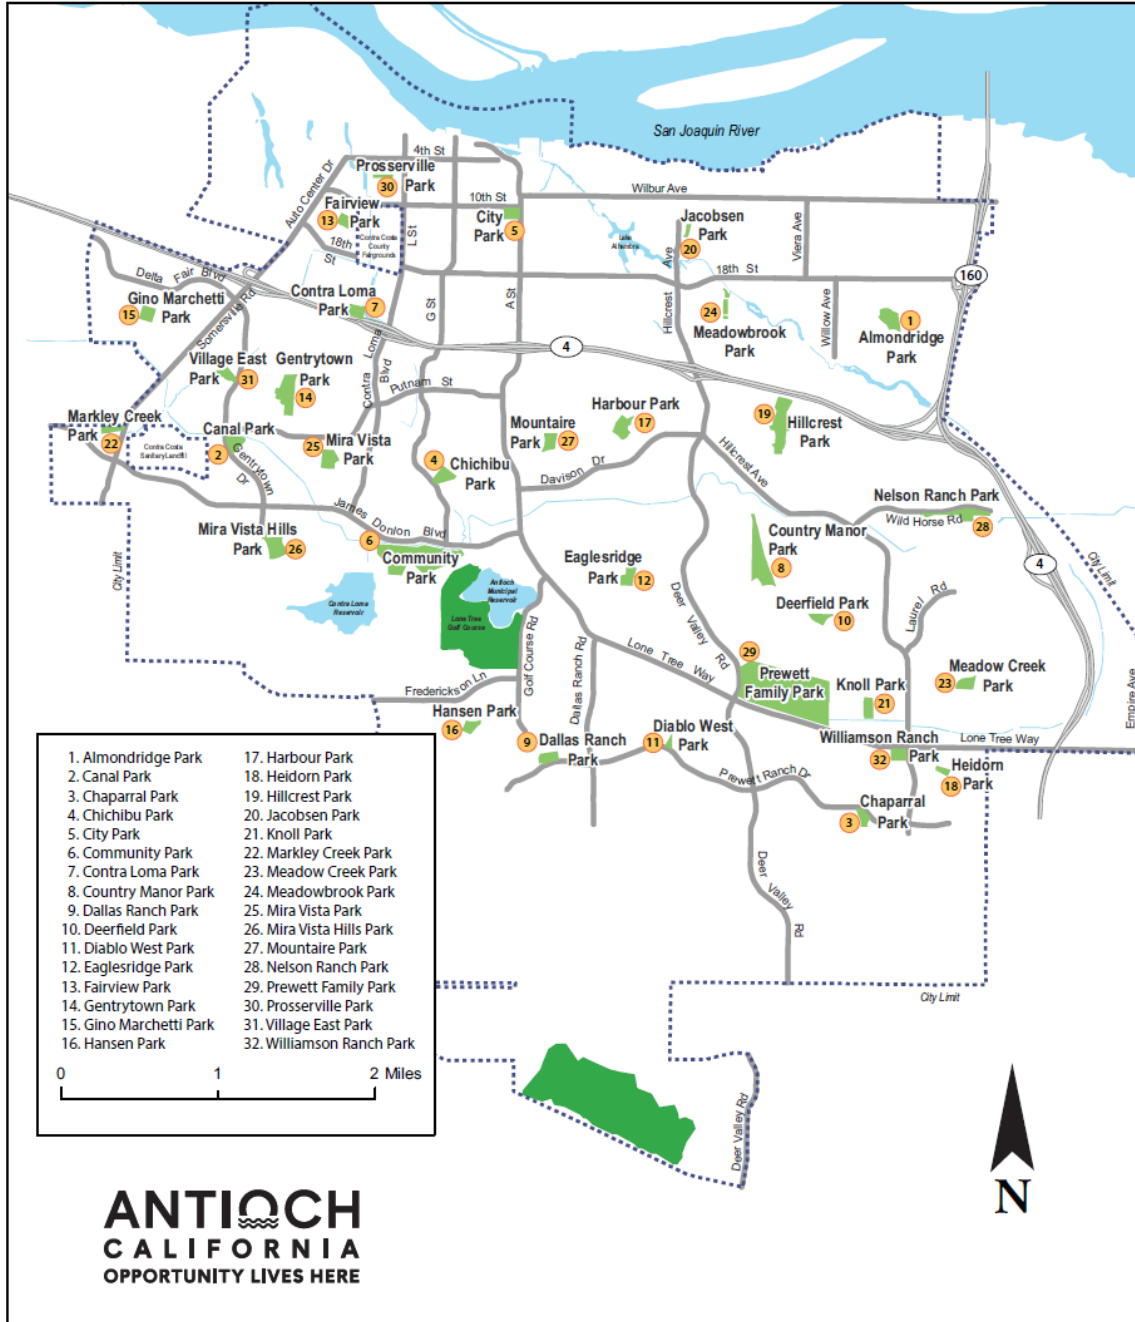

Staff recommends that the Parks and Recreation Commission discuss and recommend additional parks where no smoking signs can be installed prior to the 2020 summer season.
