

**STAFF REPORT TO THE ZONING ADMINISTRATOR
FOR CONSIDERATION AT THE MEETING OF APRIL 25, 2024**

Prepared by: Nathan Tinclair, Associate Planner
Approved by: Zoe Merideth, Planning Manager
Date: April 25, 2024
Subject: Intentional Event Spaces (UP2024-0002)

RECOMMENDATION

It is recommended that the Zoning Administrator **APPROVE** a Use Permit and Zoning Variance allowing public assembly, live entertainment, and consumption of alcohol during catered private events for Intentional Event Spaces at 3658 Lone Tree Way, subject to the conditions contained in the attached resolution.

REQUEST

Intentional Event Spaces LLC requests approval of a use permit and zoning variance to operate an event venue with live entertainment that allows the provision of alcohol by licensed caterers. The subject property is located within the Raley's Shopping Center at 3658 Lone Tree Way (APN 071-181-031).

ENVIRONMENTAL

This project is Categorically Exempt from the provisions of the California Environmental Quality Act CEQA, pursuant to Section 15301 – Existing Facilities. This section of CEQA exempts projects that:

- Consist of the operation of existing public or private structures.
- Involve negligible or no expansion of an existing use beyond that existing at the time of the lead agency determination.

This proposed project is also Categorically Exempt from CEQA pursuant to Section 15332 - Infill Development. Class 32 consists of projects characterized as in-fill development meeting the following conditions:

- The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with applicable zoning designation and regulations.
- The proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses.

- The project site has no value as habitat for endangered, rare or threatened species.
- Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality.
- The site can be adequately served by all required utilities and public services.

The subject site is a 3,900 square foot unit in an existing, fully developed commercial center. It is served by existing utilities, public services and surrounded by urban uses. The applicant is not proposing any exterior changes to the existing unit or surrounding site.

ANALYSIS

Issue #1: Project Overview

The applicant proposes to operate an event venue space for private event rentals such as weddings, parties, receptions, and meetings. The space is a unit in the existing Raley's Shopping Center. It has an open room for the event space, storage and kitchenette rooms, and bathrooms. The total tenant space is approximately 3,900 square feet and the main assembly space is approximately 2,617 square feet. The proposed hours of operation are scheduled events ending by 10:00pm on Sunday-Thursday evenings, and by midnight on Fridays and Saturdays. The event venue could also provide live entertainment or DJs. The event venue will be staffed by a minimum of two employees during events. The event venue will provide a minimum of one licensed security guard for all events beginning after 5:00pm. While the venue does not have a full kitchen, licensed outside caterers would be permitted to provide food, beer and wine for private events. In the future, the business may expand to open a "selfie studio" photography business in the adjacent commercial space. Photography uses are permitted by right in the C-2 zoning district.

The applicant's project description is provided as Attachment B.

The General Plan designation of the property site is Neighborhood/Community Commercial, and the site is zoned Neighborhood/Community Commercial (C-2). Public assembly and live entertainment uses are permitted in C-2 with approval of a use permit.

Issue #2: Parking and Occupancy

There are no parking requirements specifically for event venues with live entertainment in the Zoning Ordinance, but there are parking requirements for shopping centers, which is an appropriate category given that the event venue is located within a shopping center. Shopping centers are required to provide five parking spaces for every 1,000 square feet of gross floor area. The event venue tenant space is approximately 3,900 square feet in total, therefore, 20 parking spaces would be required for the proposed project. Staff does

not foresee the new event space causing a parking conflict given the ample available parking at the Raley's Shopping Center.

The applicant proposes to host events for up to 182 people. The maximum occupancy of the event venue will ultimately be determined by the Contra Costa County Fire Protection District and the California Building Code.

Issue #3: Noise and Security

The main issues surrounding assembly and live entertainment use permit requests are typically impacts to adjacent uses and public safety. The event venue is located at the southern end of the Raley's Shopping Center, a commercial development. The shopping center is set back from Lone Tree Way and is buffered by parking lots from the surrounding residential developments. Single family homes are located approximately 90-100 feet away from the rear of the event venue at the closest point and are separated from the commercial center by a masonry wall. Given the commercial nature of the area, staff does not believe the residences will be negatively impacted by the use. Additionally, staff has included conditions in the attached resolution requiring all activities, including live entertainment, to be conducted within the building at a volume that is not audible outside of the premises. All the windows and doors are to remain closed during all events. With proper measures in place, any potential noise and vibration impacts to the residential properties should be minimized.

In order to minimize any potential impacts to public safety, staff has included a condition in the attached resolution requiring that the applicant contract directly with a security company and have at least one uniformed security guard present during evening events beginning after 5pm. The attached resolution includes a condition to provide a copy of the security contract to the Community Development Department for review and approval prior to issuance of a business license and commencement of the first event.

Additionally, the attached resolution includes a condition of approval that should the Antioch Police Department have to respond to noise complains or other complaints related to public assembly at the property, the applicant would be subject to a hearing with the Antioch Planning Commission. If the Planning Commission were to determine that the conditions of approval have not been met, or that the use has become a public nuisance or threat to health, safety or welfare, the Planning Commission could impose a fine and/or revoke the use permit. This condition provides an avenue for redress should the business become a public nuisance.

As of April 18, 2024, the Planning Division has received one email from a member of the public regarding this project. The individual expressed his opposition to the permit due to concerns around noise and other nuisances caused by existing businesses in the area, and the potential for this event venue to cause additional issues. This email is attached as Exhibit F.

Issue #4: Variance Request and Alcohol

Antioch Municipal Code §9-5.203 defines on-sale liquor as “The sale of alcoholic beverages for consumption at the point of sale. This category shall include any facility, inclusive or a portion thereof, which is utilized for special event functions wherein alcoholic beverages are sold or given away on the premises for consumption on the premises.” The definition clearly calls out event facilities, even if not selling the alcohol, as subject to the standards for alcohol establishments.

Antioch Municipal Code § 9-5.3831 limits the location of alcohol establishments within a radius of 500 feet from any other alcohol establishment, school, public park, playground, recreational center, day care center, or similar use. The project site is located within 500 feet of an on-sale liquor establishment, Legends Bar. In order to allow customers to consume alcohol at an event, the applicant must be granted a variance from the separation requirements.

The applicant is proposing that the event venue allow licensed caterers to serve alcohol under catering licenses from Alcoholic Beverage Control. The applicant has stated they do not intend to be licensed themselves to sell or serve alcohol. The attached resolution includes a condition of approval limiting alcohol to beer and wine only (no hard liquor), as well as a condition that beer and wine can only be served with an event that serves food. A condition of approval has also been added that requires alcohol service to stop 1 hour before the end of a given event.

The four findings and their applicability to the variance request for alcohol sales within 500 feet of another on-site or off-site liquor business are as follows:

1. That there are exceptional or extraordinary circumstances or conditions applicable to the property involved, or to the intended use of the property, that do not apply generally to the property or class of use in the same zone or vicinity.

The variance would allow alcohol as an ancillary use to the primary business purpose of hosting private events. The business is not seeking to directly sell or otherwise provide alcohol and all on-site consumption would be provided through 3rd-party caterers. The purpose of the 500-foot buffer from other on-site or off-site liquor businesses is to prevent overconcentration of such businesses in a particular neighborhood or site. The event venue serves a different purpose than the nearby bar, in that it provides a rental space for private events as opposed to being a place where the general public would come to consume alcohol.

2. That the granting of such variance will not be materially detrimental to the public health or welfare or injurious to the property or improvements in such zone or vicinity.

The project, as conditioned, would ensure that the use of alcohol at the site does not become detrimental to the public health or welfare. This includes requirements for private security at nighttime events, that only beer and wine may be served, and that service of alcohol must end one hour prior to the event end time. Additionally, Alcoholic Beverage Control (ABC) would need to permit each event that serves alcohol. ABC allows a yearly maximum of 36 catered events serving alcohol at any given address, and this limit is also specified in the conditions of approval. Lastly, a condition of approval provides that should the Police Department need to respond to complaints at the site, the applicant would be subject to a Planning Commission hearing that may result in imposition of a fine, or revocation of the use permit.

3. That because of special circumstances applicable to the subject property, including size, shape, topography, location, or surroundings, the strict application of the zoning provisions is found to deprive the subject property of privileges enjoyed by other properties in the vicinity under the identical zone classifications.

The activity at the subject property would be private events, which would not be open to the general public and therefore would be serving a different function than that of the adjacent bar. Certain events may desire to serve beer and wine, while others would not. Approving a zoning variance to allow some degree of flexibility for serving the needs of these different kinds of events would allow the applicant to utilize the property consistent with other commercially zoned event space.

4. That the granting of such variance will not adversely affect the comprehensive General Plan.

The granting of the variance will not adversely affect the General Plan because the subject property falls within the Neighborhood/Community Commercial designation. Neighborhood/Community Commercial areas are envisioned to be the major commercial nodes of activity serving neighborhood and community areas. Allowing for an event space that can accommodate a variety of different types of events to serve the local community's needs is consistent with the General Plan.

**CITY OF ANTIOCH ZONING ADMINISTRATOR
RESOLUTION NO. 2024-****

**RESOLUTION OF THE CITY OF ANTIOCH ZONING ADMINISTRATOR
APPROVING A USE PERMIT (UP2024-0002) FOR PUBLIC ASSEMBLY AND LIVE
ENTERTAINMENT AND A VARIANCE FROM SEPERATION REQUIREMENTS
BETWEEN TWO ON-SALE ALCOHOL LOCATIONS FOR INTENTIONAL EVENT
SPACES LOCATED AT 3658 LONE TREE WAY**

WHEREAS, Intentional Event Spaces LLC requests approval of a Use Permit to operate an event venue with live entertainment, and a Variance from separation requirements between two on-sale alcohol locations. The subject property is located within the Raley's Shopping Center at 3658 Lone Tree Way (APN 071-181-031).

WHEREAS, this project is Categorically Exempt from the provisions of CEQA, pursuant to sections 15301 and 15332; and

WHEREAS, the Zoning Administrator duly gave notice of public hearing as required by law; and

WHEREAS, the Zoning Administrator on April 25, 2024, duly held a public hearing and received and considered evidence, both oral and documentary.

NOW, THEREFORE BE IT RESOLVED that the Zoning Administrator does hereby make the following findings for approval of a Use Permit:

1. The granting of such Use Permit will not be detrimental to the public health or welfare or injurious to the property or improvements in such zone or vicinity.

Amplified live entertainment will be permitted within the building only; no live entertainment, amplified or non-amplified, will be permitted outdoors or in parking lot areas. Private security will be required on site for events at night. Based upon the conditions imposed, the proposed use will not create adverse impacts to the surrounding businesses and residents.

2. The use applied at the location indicated is properly one for which a Use Permit is authorized.

The site is zoned Neighborhood/Community Commercial (C-2). The City of Antioch Municipal Code allows public assembly with the approval of a use permit in the Neighborhood Community Commercial District.

3. That the site for the proposed use is adequate in size and shape to accommodate such use, and all parking, and other features required.

The proposed public assembly will take place in an existing commercial building and will not require any alterations to the site. The project site is an existing commercial shopping center, and it contains sufficient off-street parking.

4. That the site abuts streets and highways adequate in width and pavement type to carry the kind of traffic generated by the proposed use.

The project site is located in an existing shopping center on Lone Tree Way, which is adequate in width and pavement type to carry the traffic generated by the proposed use.

5. The granting of such Use Permit will not adversely affect the comprehensive General Plan.

The use will not adversely affect the comprehensive General Plan because the project is consistent with the General Plan designation for the site of Neighborhood/Community Commercial and is in an existing commercial center.

AND, BE IT FURTHER RESOLVED that the Zoning Administrator does hereby make the following findings for approval of a Variance:

1. That there are exceptional or extraordinary circumstances or conditions applicable to the property involved, or to the intended use of the property, that do not apply generally to the property or class of use in the same zone or vicinity.

The variance would allow alcohol as an ancillary use to the primary business purpose of hosting private events. The business is not seeking to directly sell or otherwise provide alcohol and all on-site consumption would be provided through 3rd-party caterers. The purpose of the 500-foot buffer from other on-site or off-site liquor businesses is to prevent overconcentration of such businesses in a particular neighborhood or site. The event venue serves a different purpose than the nearby bar, in that it provides a rental space for private events as opposed to being a place where the general public would come to consume alcohol.

2. That the granting of such variance will not be materially detrimental to the public health or welfare or injurious to the property or improvements in such zone or vicinity.

The project, as conditioned, would ensure that the use of alcohol at the site does not become detrimental to the public health or welfare. This includes a requirement for private security at nighttime events. Additionally, Alcoholic

Beverage Control (ABC) would need to permit each event that serves alcohol. ABC allows a maximum of 36 catered events serving alcohol at any given address, and this limit is also specified in the conditions of approval. Should the Police Department need to respond to complaints at the site, the applicant would be subject to a Planning Commission hearing that may result in imposition of a fine, or revocation of the use permit.

3. That because of special circumstances applicable to the subject property, including size, shape, topography, location, or surroundings, the strict application of the zoning provisions is found to deprive the subject property of privileges enjoyed by other properties in the vicinity under the identical zone classifications.

The activity at the subject property would be private events, which would not be open to the general public and therefore would be serving a different function than that of the adjacent bar. Certain events may desire to serve beer and wine, while others would not. Approving a zoning variance to allow some degree of flexibility for serving the needs of these different kinds of events would allow the applicant to utilize the property consistent with other commercially zoned event spaces.

4. That the granting of such variance will not adversely affect the comprehensive General Plan.

The granting of the variance will not adversely affect the General Plan because the subject property falls within the Neighborhood/Community Commercial designation. Neighborhood/Community Commercial areas are envisioned to be the major commercial nodes of activity serving neighborhood and community areas. Allowing for an event space that can accommodate a variety of different types of events to serve the local community's needs is consistent with the General Plan.

AND, BE IT FURTHER RESOLVED, that the Zoning Administrator of the City of Antioch does hereby **APPROVE**, a Use Permit to operate an event venue with live entertainment, and a Variance from separation requirements between on-sale alcohol locations, subject to the conditions in Exhibit A, attached hereto. The subject property is located within the Raley's Shopping Center at 3658 Lone Tree Way (APN 071-181-031).

* * * * *

I HEREBY CERTIFY that the foregoing resolution was passed and adopted by the Zoning Administrator of the City of Antioch at a regular meeting thereof held on the 25th day of April, 2024.

KEVIN SCUDERO
ZONING ADMINISTRATOR

EXHIBIT A
CONDITIONS OF APPROVAL
INTENTIONAL EVENT SPACES (UP2024-0002)

A. GENERAL CONDITIONS

1. The project shall comply with the Antioch Municipal Code. All construction shall conform to the requirements of the California Building Code and City of Antioch standards. Applicant shall apply for Building Permits from the City of Antioch as necessary for all tenant improvements.
2. The applicant shall defend, indemnify, and hold harmless the City in any action brought by a third party to challenge the land use entitlement. In addition, if there is any referendum or other election action to contest or overturn these approvals, the applicant shall either withdraw the application or pay all City costs for such an election.
3. The project shall be implemented as indicated on the application form and accompanying materials provided to the City of Antioch and in compliance with the Antioch Municipal Code, or as amended by the Zoning Administrator.
4. No building permit will be issued unless the plan conforms to the project description and materials as approved by the Zoning Administrator and the standards of the City.
5. This approval expires two years from the date of approval (expires April 25, 2026), unless operations have commenced or an extension has been approved by the Zoning Administrator. Requests for extensions must be received in writing with the appropriate fees prior to the expiration of this approval. No more than one one-year extension shall be granted.
6. No permits or approvals, whether discretionary or mandatory, shall be considered if the applicant is not current on fees, reimbursement payments, and any other payments that are due.
7. This approval supersedes previous approvals that have been granted for this site.

B. CONSTRUCTION CONDITIONS

1. The use of construction equipment shall comply with AMC § 5-17.04 and 5-17.05, or as approved in writing by the City Manager.
2. The project shall be in compliance with and supply all the necessary documentation for AMC § 6-3.2: Construction and Demolition Debris Recycling.
3. Building permits shall be secured for all proposed construction associated with this facility.
4. Standard dust control methods shall be used to stabilize the dust generated by construction activities.

EXHIBIT A
CONDITIONS OF APPROVAL
INTENTIONAL EVENT SPACES (UP2024-0002)

C. AGENCY REQUIREMENTS

1. All requirements of the Contra Costa County Fire Protection District shall be met.
2. All requirements of the Contra Costa Environmental Health Division (CCEHD) shall be met.

D. FEES

1. The applicant shall pay all fees as required by the City Council.
2. The applicant shall pay all required fees at the time of building permit issuance.

E. PROPERTY MAINTENANCE

1. No illegal signs, pennants, banners, balloons, flags, or streamers shall be used on this site at any time.
2. The site shall be kept clean of all debris (boxes, junk, garbage, etc.) at all times.
3. No signs shall be installed on this site without prior City approval.

F. USE REQUIREMENTS

1. This use permit applies to public assembly, including ancillary live entertainment, conducted at Intentional Event Spaces at 3658 Lone Tree Way, as indicated on the application form and accompanying materials provided to the City of Antioch. Approved live entertainment activities include live DJ's or bands ancillary to other events occurring at the event venue.
2. Only beer and wine may be served at the site, and only by licensed caterers with valid California ABC event permits and any other permits that may be required by law. Beer and wine shall only be served in conjunction with an event that serves food. Hard liquor shall not be permitted at any time. There is a limit of 36 events per year that serve alcohol. This Use Permit does not permit the applicant to sell or otherwise provide alcohol themselves for distribution at events on site.
3. The public assembly events held at the property are intended to be private events only. No events may be held that allow members of the general public to attend, either with or without charging a cover fee. Nothing in this section shall prevent members of the public from patronizing the "selfie-studio" portion of the business when open.

EXHIBIT A
CONDITIONS OF APPROVAL
INTENTIONAL EVENT SPACES (UP2024-0002)

4. Beer and wine service shall cease one hour prior to the event end time.
5. All events Sunday – Thursday shall end by 10:00pm. All events on Friday and Saturday shall end by midnight.
6. Audible music or other noise should not be heard outside the premises. All doors and windows shall remain closed to minimize the noise impacts during events. Music and all other noise shall be kept within decibel limits required by the City of Antioch Municipal Code.
7. All activities shall be conducted entirely inside the building. Loitering shall be prohibited. Conspicuously placed “No loitering, No open containers and No drinking” signs shall be posted on site.
8. No less than one uniformed security guard, who is employed by a Private Patrol Operator (Security Company) currently licensed with the California Department of Consumer Affairs shall be provided from one hour prior to event start time, to one hour after event end, during any public assembly and live entertainment events beginning after 5pm. Event security requirements may be modified on a case-by-case basis subject to the approval of the Zoning Administrator.
9. The name of the Security Company, their State license number, and a copy of the contract with the Security Company shall be provided to the Community Development Department prior to issuance of a City of Antioch Business License and commencement of the first event. Should there be a change in the Private Patrol Operator or in the liability insurance of the applicant, the Community Development Department shall be notified within 5 business days.
10. The applicant shall be subject to a Planning Commission hearing, per Section 9-5.2707.1 of the City of Antioch Municipal Code, if the Antioch Police Department must respond to this property as a result of complaints received due to incidents related to public assembly and live entertainment or any other police response issues related to the operation of public assembly and live entertainment at 3658 Lone Tree Way. If the Planning Commission determines that the conditions of approval are not met or the use has become a public nuisance or otherwise a threat to public health, safety, or welfare, it can result in revocation of the Use Permit or imposition of a fine.
11. If the Antioch Police Department must respond to this property as a result of incidents related to the public assembly or live entertainment and they determine that the conditions of approval are not met or the use has become a public nuisance or otherwise a threat to public health, safety, or welfare they may immediately shut down the event and/or impose a fine.

EXHIBIT A
CONDITIONS OF APPROVAL
INTENTIONAL EVENT SPACES (UP2024-0002)

12. At no time shall the posted occupancy limit be exceeded.
13. No “Adult Entertainment” (as defined in Antioch Municipal Code section 9-5.203) shall be permitted on site. This is to include, but not limited to, “go-go” dancers, exotic dancers, strippers, lingerie shows, etc.
14. No “Bingo Operations” (as defined in Antioch Municipal Code section 9-5.3844) shall be permitted on site.
15. No “Temporary Cannabis Events” (as defined in Antioch Municipal Code section 9-5.3848) shall be permitted on site.

ATTACHMENT "B"

I am writing to submit a proposal on behalf of Intentional Event Spaces. For obtaining a minor use permit for the city of Antioch. Our goal is to add an attraction to the city of Antioch. By granting us this license, We aim to bring more business opportunities. Create employment and contribute to the cultural vibrancy of Antioch.

Business overview

Intentional Event Spaces is a business that offers two unique services: event space rentals and a selfie studio experience. (CURRENTLY ON HOLD) Our event spaces cater to a variety of occasions, including weddings, conferences, parties, and more. Notably, churches, bingo games, and trainers can also utilize our space. On the other hand, our selfie studio provides themed rooms equipped with backdrops, props, professional cameras, and screens for photo viewing. Our space can accommodate a total of 182 guests

Employment and security

We aim to create employment opportunities for our local community. Starting off we will have Two employees on the floor during working hours. The shopping center has security until 10 pm. Any party extending past time will have to purchase additional hours. The shopping center has ample parking

Hour of operation

For the event space we will mainly open per scheduled event Mon-Thurs 8 am-10 pm Fri-Sun 8 am-1 am. We will stay accommodating and flexible for our clients needs

Selfie studio

7 days per week

12 pm-8 pm

Alcoholic beverages

Although the lease stipulates that alcohol is prohibited, I would like to propose a consideration for wedding parties to have the option of hiring catering services with a liquor license. In such situations, the necessary liability forms would be signed, and the relevant insurance and security measures would be the responsibility of the client. Proof of purchase would need to be shown a week in advance.

Benefits to the community

Granting us a permit to operate will bring numerous benefits to the community of Antioch. Our establishment will attract more business to the area, contributing to the local economy through increased foot traffic, creation and support of local suppliers. We will provide job opportunities to individuals in the community, reducing unemployment rates and contributing to the overall well-being of the residents.

Proposed changes

I will be adding a wall to the backroom to create a storage area. by adding a wall to this area, I will be cutting off access to the secondary restroom. So I will cut an ulterior access to that

restroom all illustrated in the floor plan drawing. I do not currently have the right side of the building obtained as explained in previous conversation, but it is included in the plans. We intend to expand in the near future, into hall II. This is where the selfie studio will be. The 8 x 8 themed rooms are indicated on the floor plan. The existing hot tube room will also be apart of the selfie studio being themed as a ball pit area. The shower room as a change room.

CONTRA COSTA COUNTY FIRE PROTECTION DISTRICT

4005 PORT CHICAGO HWY, STE 250, CONCORD, CA 94520 • (925) 941-3300 • CCCFPD.ORG

March 26, 2024

Mr. Nathan Tinclair
City of Antioch
Planning

Subject: Intentional Event Spaces
3658 Lone Tree Way, Antioch
Project # UP2024-0002
CCCFPD Project No.: P-2024-000935

Dear Mr. Nathan Tinclair:

We have reviewed the use permit application to establish a selfie studio and event space at the subject location. The following is required for Fire District approval in accordance with the 2022 California Fire Code (CFC), the 2022 California Building Code (CBC), and Local and County Ordinances and adopted standards:

This project is a Tenant Improvement project inside an existing building.

Plans will need to be submitted to Fire District for review and any required deferred submittals.

1. The applicant shall submit tenant improvement plans and specifications for the subject project to the through the Fire District public portal (<https://confire.vision33cloud.com/citizenportal/app/landing>). After the tenant improvement plans are approved, plans and specifications for any deferred submittals would be submitted for review.

All plan submittals shall be submitted to the through the Fire District public portal (<https://confire.vision33cloud.com/citizenportal/app/landing>) for review and approval **prior to construction of the building or installation of the systems to ensure compliance with minimum requirements related to fire and life safety. Plan review and inspection fees shall be submitted at the time of plan review submittal. (105.4.1) CFC, (901.2) CFC, (107) CBC**

Our preliminary review comments shall not be construed to encompass the complete project. Additional plans and specifications may be required after further review.

If you have any questions regarding this matter, please contact this office at (925) 941-3300.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael Cameron".

Michael Cameron
Fire Inspector

Subject: Permit for entertainment at Raleys Shopping Center Lone Tree Way Antioch (APN 071-181_031)
Date: Wednesday, April 17, 2024 3:31:12 PM

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

I oppose the issuing of a permit for more loud music and the sales of alcohol at this location. There is already a problem with the loud music, crime, vagrants and arson in this general area. If Antioch will not address these problems that already exist, how will adding another event center help. IT WON'T.
I could go on and on with the issues that plague our neighborhood coming from Legends Bar and the gas station that the police or the City of Antioch will not address.
So in short, I definitely oppose this Event Center opening as all my neighbors do.

Sincerely Gene Hardy

[REDACTED]
