Day of Action

Along with Chief Brooks, I attended the welcome portion of the Day of Action event held at the Antioch Police Department and throughout our community. Championed locally by Council Member Wilson, SB 1193 was passed in 2012 and requires specific businesses to post a notice that contains information related to human trafficking and nonprofit organizations that provide services in support of the elimination of human trafficking. The group that participated in the event also included Mayor Pro Tem Motts and Council Member Thorpe. Packets distributed to businesses included a letter to the business owner/community member on why the Day of Action was taking place, a "Learn the Signs" handout to educate on how to identify human trafficking and a poster with National Human Trafficking Resource Center Hotline Number.

Police

Best of Agency

The Antioch Police Department has been working diligently over the last couple of years using several social media platforms to keep our citizens informed and to interact and build strong relationships with our community. Through social media, we have been fortunate to be able to highlight lots of great work by our officers, other city staff, and our amazing community members who have actively partnered with us to help reduce crime and make Antioch a great community.

All this has been accomplished by tips of criminal behavior and identifying responsible parties via social media posts, and also through highlighting noteworthy community members and events in the city. Our efforts continue to pay off as we were recently recognized by Nextdoor with their "Best of Agency Post" for December 2018 from police agency posts nationwide! Our "Best of" featured great work by our officers with help from community members to apprehend a "Porch Pirate" during the Holiday Season.

We encourage and welcome all of our community members to follow our social media pages as we strive to connect with the public and develop stronger community awareness. Our social media pages are just another example of how we connect with the citizens we serve and work to reduce crime cooperatively. It's also a great way to feature all of the fantastic things our staff and citizens do every day to make Antioch great.

Certificate of Recognition

On January 3, 2019, Chief Brooks attended a Kwanzaa Celebration at Delta Bay Church in Antioch, where he was awarded a Certificate of Recognition from Rua'h Community Outreach Inc., acknowledging the Antioch Police Department for its exceptional community engagement efforts. Our relationship with the community we serve is one of Chief Brooks' top priorities.

We will continue building trust through professional and respectful interactions, maintaining open lines of communication, and working cooperatively with our community members to achieve our shared goals of excellent police and public relations, crime prevention, and safe communities.

Police- *Animal Services*

Whiskers Wonderland

It is a Whisker's Wonderland of dogs, cats, bunnies, guinea pigs, hamsters and even a very friendly pet rat at Antioch Animal Services! To encourage adoptions, Antioch Friends of Animal Services will be sponsoring the adoption fees of all cats, dogs and furry critters for one week. Beginning Saturday, January 12th through Saturday, January 19th, people can adopt a pet at no charge, which represents a savings

of \$76 for cats and \$96 for dogs — fees the shelter charges typically to cover the cost of spaying, neutering and vaccinating animals before they go home with their new owner.

The normal fee for small animals, including rats, guinea pigs, and hamsters is \$7 and \$16 for bunnies. The sponsored fees do not include licensing fees. Adoptive families who are residents of Antioch must purchase a dog license, which costs \$20 annually at the time of adoption. The shelter is located at 300 L St (adjacent to Antioch Police Department). Hours of Operation are T, W, TH & SAT 10 am to 5 pm, and FRI 10 am to 2 pm. Available animals can be viewed online at www.antioch.petfinder.com

Environmental Resources

Over the month of January, Environmental Resources will be posting on Facebook and NextDoor eco-resolution suggestions and tips on how you can live more sustainability while saving money and benefiting your health! Below are the first to be released, to view the rest, visit us on Facebook at www.facebook.com/ecoantioch

Eco-Resolution 1: Buy Local and Seasonal Produce!

Help to reduce your environmental impact and reduce pesticides by choosing seasonal and local produce. Review the link below for more information and tips on what produce is in season during each month. Place a chart or calendar of seasonal produce in your kitchen as a reminder!
<https://cuesa.org/eat-seasonally>

Eco-Resolution 2: Avoid Single Use Plastics.

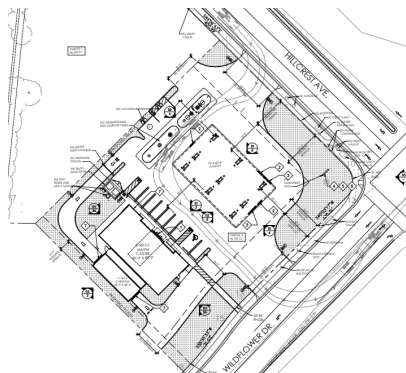

Consider the afterlife of the packaging before you make a purchase. Try only to purchase items that are packaged in highly recyclable materials, such as glass and 1-2 plastic or items that can be repurposed.

Eco-Resolution 3: Reduce your Meat Consumption by Partaking in Meatless Mondays!

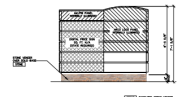

Reducing your consumption of meat and dairy (or avoiding all of them altogether) is the single most significant way you can reduce your impact on the Earth. In the United States, the average person eats 220 pounds of meat annually. Commit to eating less meat; everything is better in moderation!

Inspection

The Building Division has been busy inspecting the construction of a new ARCO AM/PM gas station, mini-mart and car wash at the western corner of Hillcrest Avenue and Wildflower Drive. The builder has recently raised walls on the main building, and the project is moving quickly towards completion.
