CITY CLERK UPDATES

The Annotated Agenda for the January 24th City Council Meeting is posted on the City's Website. To view the agenda information, click on the following link: <http://www.ci.antioch.ca.us/CityGov/agendas/> and then click 'City Council'. City Council Meetings are held every 2nd and 4th Tuesday of each month in the Council Chambers beginning at 7:00 p.m. The first Council Meeting in July is cancelled due to Summer Break.

The Board of Administrative Appeals Special Meeting scheduled for January 19, 2017, was cancelled. The next regularly scheduled Board of Administrative Appeals meeting will be held on February 2, 2017. The Board meets on a monthly basis – the first Thursday of every month, in the Council Chambers beginning at 3:00 p.m.

Individuals are reminded to file an appeal of an Administrative Citation and it must be filed in our office within 10 days of the date of the citation.

The City Clerk's office is accepting applications for the following Boards/Commission Vacancy:

- Police Crime Prevention Commission: 1 Partial-term vacancy, exp. October 2017
Deadline date to apply: 01/27/17

Any interested resident is encouraged to apply. To be considered for this volunteer position, a completed application must be received in the Office of the City Clerk by 4:30 p.m. on Jan. 27, 2017. Applications are available at www.ci.antioch.ca.us and at the City Clerk's Office, City Hall, 200 H Street, Antioch, CA 94509, (925) 779-7009, Monday through Friday, 8:30 a.m. to 4:30 p.m. Your interest and desire to serve our community is appreciated. Applications and resume can be emailed to cityclerk@ci.antioch.ca.us, faxed to (925) 779-7007, sent by mail or dropped off at City Hall at the Clerk's Office. Appointees are required to file a FPPC Form 700 "Statement of Economic Interests" within 30 days of their appointment by the City Council.

Open candidate, officeholder and local Political Action Committees are required to file their next Form 460 or Form 470 Campaign Finance Report to the City Clerk no later than January 31, 2017. Electronic copies are not accepted. Open candidate, officeholder and local Political Actions Committees are also reminded to submit a check for \$50.00 to the Secretary of State no later than January 17, to avoid penalties.

Elected officials, Planning Commissioners and designated City Staff, Board Members, other commissioners and designated consultants are required to file an FPPC Form 700 "Statement of Economic Interests" for Calendar Year 2016 to the City Clerk's Office no later than 4:30 p.m., Monday, April 3, 2017.

If you assumed office between **October 1, 2016 and December 31, 2016**, and filed an assuming office statement, you are not required to file an annual statement until **April 2, 2018**. That annual statement will cover the day you assumed office through December 31, 2017.

Candidate campaign finance reports are available for the public to review at the City Clerk's Office.

Requests for City of Antioch public documents under the California Public Records Act must be sent to the City Clerk's office. Request forms are available on the City Website and at the City Clerk's Counter at City Hall. Requests can be made in person, by mail or email. Email requests must be sent to cityclerk@ci.antioch.ca.us to ensure a timely response.

The City Clerk's Office received three California Public Records Act requests, which were forwarded to the appropriate departments for a response.

The City Clerk has requested the Mayor and each Council Member to provide the City Clerk's Office with the contact information for each of their three designated Standby Council Members. Upon receipt of that information, the City Clerk will be contacting each of the Standby Council Members to administer the Oath of Office and provide them with sections of the California Government Code on their responsibilities.

The City Clerk attended the League of California Cities Housing Community & Economic Development Policy Committee last Thursday and the Governance Transparency & Labor Relations Policy Committee meeting last Friday in Sacramento. The League Annual Conference Planning Committee meeting for Wednesday was rescheduled to January 26th.

As a member of the League of California Cities Annual Conference Planning Committee, the City Clerk reviewed 151 proposals for CityTalk and Breakout Session proposals, making recommendations and participated in a 4-hour meeting to determine which proposals will be accepted.

The City Clerk administered the Oath of Office to Dr. John Huh as Antioch's representative to the Contra Costa Library Commission.

Abbacadabra

The Ultimate ABBA Concert

Saturday February 11 3:00 pm & 8:00 pm

Reserved Seating

Tickets: Adults: \$32 Seniors (62 & Over): \$30 Youth: (under 18): \$15

Dust off the leisure suits! Shine up those platform shoes! Be transported back to a simpler time when gas was under \$1.00 per gallon... when music was fun, inspiring and uplifting... and disco was King!

With the new resurgence of the '70s, portrayed in part by the hugely popular, musical production of "MAMMA MIA!", released as a motion picture, the music of ABBA is finding its way back into the hearts of those who lived it then and taking over the hearts of those who are experiencing it for the first time now.

Abbacadabra – The Ultimate ABBA concert promises to continue the momentum by performing 20 of the group's greatest hits in full ABBA fashion and flair. You won't be able to sit still in your seats as songs like "S.O.S.", "Super Trooper" and "Dancing Queen" are re-created with such precision you'll swear you were listening to the originals themselves. The melodies of "Fernando" and "Chiquitita" will rekindle those feelings of first loves. "Take a Chance on Me" and "Voulez Vous" will lift the audience out of their seats to dance! The show is authentic in music and dress and is performed to live music that will leave you excited and melancholy... at the same time.

RECREATION UPDATES

- Last week, 72 children started winter dance classes – excited to learn and show off their dance moves! For many young children dance is the first group activity where they interact with others their age. Dancers will enjoy performing a choreographed dance to the delight of their families at the end of the session in eight weeks.
- This week, summer activities were finalized and are ready to be entered into the ActiveNet Software System, which is the beginning of the production process for the Recreation Guide.

- On Wednesday, staff began preparation of promotional materials for the 2017 Summer Day Camp programs being offered this year. Distribution to the Antioch Unified School District students begins in mid April.
- On Thursday, activity development and budgets were completed for First Five Contra Costa spring programming. Activities include Tot Soccer and youth Swim Lessons.
- On Saturday, week three of an eight week season was completed for the Junior Warriors youth basketball league. Jr. Hoopsters are learning, laughing, and staying fit during winter!
- Attendance is climbing weekly for the adult sports drop-in programs held on Tuesday (Volleyball) and Sundays (Basketball & Pickleball) at the Community Center gymnasium.
- This week, adult softball league informational packets became available for those teams wanting to participate in the 2017 Spring/Summer league held at the Antioch Community Park ball fields. League play begins at the end of March.
- Recreation staff collaborated with the Antioch Herald to produce the 2017 Water Park advertisement. The ad is set to run during the spring months.
- Planning continued for aquatic summer camps. Camps are scheduled to take place June 19th through July 28th.
- Throughout the week, preparation for the next Antioch Council of Teens meeting took place. The next meeting will be held on Monday, February 6th and all teens are invited to attend!
- The City contractor is nearing completion of the carpet replacement project at the Nick Rodriguez Community Center. The new carpet is a great addition to this facility and we hope to soon welcome many more community members for classes, programs, and events!
- The City's electrical contractor completed trouble shooting work and repairs to the parking lot lights at Prewett Community Park and installed new outlets in high traffic areas at the Nick Rodriguez Community Center.
- The City's mechanical system vendor completed repairs to HVAC unit number 5 at the Nick Rodriguez Community Center.
- The City plumbing contractor completed repairs to the Senior Center kitchen grease trap and associated kitchen plumbing. The new setup will assure a continued high level of service for our senior population at the center.
- The City's mechanical vendor completed repairs to the men's restroom exhaust fan at the Senior Center.
- Recreation maintenance staff completed various painting tasks at the Nick Rodriguez Community Center.
- Last week, the Parks and Recreation Commission held their regularly scheduled meeting and approved two resolutions to support grant applications for bike lanes and road improvements.

Senior Center Services

- Over the last week, 333 affordable, healthy meals were served through the CoCo Café. This program helps prevent heart attacks, depression, asthma and congestive heart failure. No membership or income requirements are required to eat at the CoCo Café. All supplies are provided by the County for participating cafés.
- Staff created a draft of the 2017 Spring/Summer Recreation Guide for the senior portion of the guide.
- Staff submitted a request for a fee reduction for an upcoming kayaking activity scheduled on April 22nd at Big Break Regional Shoreline.
- On Wednesday, the Senior Center Kitchen will be closed temporarily for the grease trap replacement project. The CoCo Café is providing bag lunch for our nutrition program during the Senior Center Kitchen closure.
- The *California Telephone Access Program* setup an informational table in our main lobby and shared information regarding their free specialized phones for those with impaired vision and/or hearing.
- Staff assisted *AARP Tax Aide* representatives in setting up their own wireless network and participated in possible network troubleshooting scenarios. AARP will be on-site every Thursday between the months of February 2nd through April 13th.
- 30 seniors participated in the *California Highway Patrol "Age Well/Drive Smart"* program for seniors. The class highlights precautions drivers should take as they age and introduces the warning signs of age-related hazardous driving. CHP is interested in continuing the agency relationship and providing more workshops.
- Staff connected with a representative from the *Coalition for Medicare Choices*, in regards of hosting a Q&A session between our senior population and Congressman McNerney, in regards to the current state of Medi-Care.
- Staff printed and distributed over 100 pictures of our 2016 Pictures with Santa, *Holiday Happenings* event.
- The Senior Club has received a total of new and renewal membership applications from 398 seniors. New membership for 2017 began on December 28th and the membership drive has been steady.

Environmental Resources:

Resilient Dialogues - Antioch was nominated and selected to participate in a program that connects communities with scientists willing to volunteer on projects related to climate change and adaptation. Here is a link to last year's pilot project for this, <http://icleiusa.org/connecting-cities-science/>.

Contra Costa Sustainability Exchange - Staff attended the kick off of the countywide Sustainability Exchange organized by the County Community Development Department. We are looking forward to partnering up and learning from what others are doing locally to lessen our impact on the planet.

Holiday tree recycling options: For those that still have trees to discard, Republic Services has options through your garbage service. Unflocked trees can be placed in your yard waste cart. If cut to fit inside with the lid closed, flocked trees may be placed in your trash cart. For trees that don't fit in your cart, you can use one of your cleanups by calling customer service at 925-685-4711.

Community Development Block Grant (CDBG):

Review and evaluation of all applications by the Council Subcommittee is underway, and agency interviews will be scheduled for March 24th and 31st.

Homeless:

The East County Point In Time (PIT) Count training was held Sunday January 22nd at the Seventh Day Adventist Church on Country Hills Drive in Antioch, with about 15 people in attendance. These trained volunteers will be going out January 25-27th to food pantries, Loaves and Fishes and other feeding sites, libraries, and locations where people who are homeless may go for services. Volunteers will ask questions from a standardized script, inquiring about where the person spent the night of January 25th. Homeless Outreach Teams will be going out to encampments over the same period, asking the same series of questions. All interviews will be entered into the Contra Costa Homeless Management Information System database, and de-duplicated so that we can obtain an accurate count of the number of homeless people in our County on the night of January 25th.

Contra Costa County's annual Point In Time (PIT) Count is an annual effort by our community to count all of the people who are homeless on a specific night in late January. The PIT count is required by HUD every two years, but Contra Costa County has committed to doing it annually. It is from this count that we gather our statistics as to the number of homeless people who reside in each city. The PIT count contributes greatly to our understanding of the migration and distribution of the homeless population, and it also contributes to the amount of federal funding for homelessness that our County receives each year.

Drought Updates:

Don't forget to keep your irrigation timers turned off during this rain and until necessary to turn them back on again.

While this season's rain has things looking good for this year, here in California, water conservation and preparing for the next dry year are always important. If you let your lawn die and are planning to re-landscape, consider a low water design. For inspiration visit www.bringingbackthenatives.net and <http://www.ccwater.com/765/Photos-of-Completed-Projects>.

Irrigation repairs for last week:

- Park Irrigation: All park irrigation water is currently off.
- Antioch Community Park: Repairs have been completed on the water main-line. The park restrooms have been re-opened.
- Prewett Water Park: A water main-line is off pending repair completion.

PUBLIC WORKS UPDATES

Administration

- Staff met with a local business owner and Republic Services to discuss illegal dumping and expanding the Chamber of Commerce and City's Business Watch Program to other businesses within the City. Initially large shopping centers and business parks would be targeted for participation in this excellent program.
- Staff of the Police, Community Development CDBG, Code Enforcement, Public Works, Parks and Recreation, and City Attorney convened a meeting of the Homelessness Taskforce. The efforts of the newly established Police Community Engagement Team (CET), Antioch's new Code Enforcement Manager and the other support departments and divisions were discussed. In addition to information already being provided by the CET and Code Enforcement officers, the County Core Outreach Team is scheduled to begin efforts to provide information about resources and assistance available to individuals experiencing homelessness beginning next month.

Parks and Recreation Commission approved a resolution of support at the January 19th meeting.
- BART is preparing an access study for the North Concord, Bailey, Railroad, and Hillcrest Stations. Engineering staff and Tri-Delta Transit met with BART on January 23rd to discuss existing conditions and proposed projects that will be the foundation for the study.

Water Treatment Plant

- Cleaned Solar Bees out on the municipal reservoir. Solar Bees circulate the water in the reservoir; cleaning the Solar Bees prevents weeds from restricting the circulation. Also cleaned the staff gage on the tower.
- The chloride levels in the San Joaquin River have continued to stay low. We will continue to pump from the river until we see a reversal in the current trend.
- Removed ‘B’ plant and drained the basins for annual maintenance. Started cleaning flocculation chambers and basin equipment.
- Repaired and calibrated the chlorine analyzer and the Fluoride analyzer at “A” plant.

Water Distribution

- Responded to 127 stops for water service including disconnections.
- Had a total of 21 USA tickets completed for utility location.
- Meter reading has been completed and on schedule for the month.
- Continue to respond to Water Conservation hotline reports.
- The City of Antioch now has a 0% water conservation goal through January of 2017 based on the State of California’s “stress test”. However the following prohibitions will remain in place:
 - Watering outdoor landscapes in a manner that causes excessive runoff such that water flows onto adjacent property, non-irrigated areas, private and public walkways, roadways, parking lots, or structures.
 - Using a hose without a shut off nozzle.
 - Washing paved or other hard-surfaced areas, including sidewalks, walkways, driveways, patios and parking areas.
 - Use of City furnished water for non-recalculating decorative fountains or filling decorative lakes or ponds.
 - Failing to repair a controllable water leak.
- Repaired a 4” leaking irrigation main on Deer Valley Road.
- Repaired an 8” leaking water main at Community Park and Live Oak School.
- Replaced a damaged hydrant on Eagleridge Ct. as well as E. 13th St.

- Started the valve exercise program (downtown area for CIP sewer project).
- Completed Hydro-excavation Safety Training.
- Completed annual vehicle and pipe shop housekeeping evaluation.
- State mandated annual backflow testing continues.
- Continue to provide water connect and disconnect services to Finance Department.
- Continue to work on water quality on Sakurai Street.
- Hauled off green waste for recycles, as well as cleaned up at the city's Fulton yard.
- Performed city wide preventative maintenance on fire hydrants.
- Cleared debris and graffiti from Amtrak platform and surrounding area.
- Cleared graffiti, trash and household goods from the Fulton Shipyard Rd. boat launch area.
- Repaired faulty deadbolt lock at the River Pump Station.

Public Works Operations – Parks and Landscape

- Playground and Park Safety Inspections: Completed at Antioch Water Park, Canal and Chaparral Parks. Follow-up inspections were completed at Almondridge and Mira Vista Hills Parks.
- Park Irrigation: All park irrigation water is currently off.
- Antioch Community Park: Repairs have been completed on the water main-line and the restrooms are open again.
- Diablo West Park: Playground maintenance was performed on a Park Tot Swing to keep it operating safely.
- Meadowbrook Park: A new pedestal grill barbecue was installed.
- Village East Park: A new park picnic table was added.
- Williamson Ranch Park: A new park pedestal grill barbecue was installed.
- Storm Related Park Tree Failures: Due to recent storms, complete tree failures and removals took place at Almondridge, Community, Hillcrest and Mountaire Parks. Minor property damage occurred only at Almondridge Park.
- Storm Related Park Tree Branch Failures: Due to recent storms, tree branch failures occurred at Chaparral, Dallas Ranch, Eagleridge, Gentrytown, Hansen, Nelson Ranch and Prosserville Parks. Fortunately, no injuries or property damage occurred as a result of these failures.
- Storm Related City Tree Removals: Trees were removed at the following sites: Ridgerock Dr., Davison Dr., Terrace View Ave., Wildcat Cir. and Asilomar Dr.
- Storm Related City Tree Limb Removals: Tree limbs were removed from the following sites: Deer Valley Rd. @ Rocky Pt., Deer Valley Rd. @ Quail Lodge, Delta Fair Blvd., Lone Tree Way @ Black Diamond Dr., Black Diamond Dr., James Donlon Blvd. (5 sites), Seville Circle, Dallas Ranch Rd. Public Works Operations – Street Maintenance

- Removed graffiti from numerous areas around the City.
- Replaced 79 existing signs due to poor reflectivity or line of sight issues.
- Filled 72 potholes.
- Crews removed 10.5 yards of debris and illegal dumping in the roadway.
- Assisted the Parks Division with removal of fallen trees from severe rain/windstorms.
- Provided flood control city wide due to heavy rain.

Public Works Utilities – Collections Division

- Calls for Sewer Service: Received and responded to 16 calls for service from the public. Responding crews televised 315 linear feet of public sewer laterals connecting to the City's sewer system.
- Sewer Mains: Daily preventative maintenance performed on over 11,080 linear feet of sewer main lines.
- Quarterly Sewer Main Cleaning: The route schedule is under review to increase inspection frequency of identified priority locations and integrate a proactive preventative cleaning schedule for these pipelines.
- Sewer Lateral Maintenance Program: Repaired one lateral that was severely damaged requiring immediate repairs and televised one lateral.
- Manhole Inspection Program: Inspected 133 manholes. Manholes are inspected for loose lids, debris, locking mechanisms, and status of infrastructure for future maintenance and rehabilitation. Staff is updating the program and processes for integration in our computerized maintenance management system.
- Closed Caption Televising (CCTV): Televised 14,244.2 feet of sewer main lines. The CCTV Preventative Maintenance crew inspects sewer mains to identify the condition and causes of blockages and sanitary sewer overflows (SSOs).
- SMART Manhole Devices: These devices monitor flow/level and alert staff to potential sewer backups or flow problems. We had several alerts due to the heavy rain events, none of which went to alarm status.
- National Pollutant Discharge Elimination System: Crews removed 123 yards of household and green waste in various creeks and channels. These activities ensure the City meets the federal Clean Water Act requirements of municipalities discharging storm water into waterways.

Public Works Operations – Fleet Division

- Preventative Maintenance: 9 services on City vehicles as scheduled.
- Scheduled Repairs: 38 scheduled repairs on City vehicles.
- Unscheduled Repairs: 30 unscheduled, necessary repairs to City vehicles.

Public Works Operations – Municipal Marina

- The Marina received one application for permanent berthing, responded to four berthing inquiries and gave one tour of the facility.

- Marine Science Institute Research Vessel Robert G. Brownlee has arrived for the 2017 California Delta ecology program. School districts from Contra Costa and Alameda County come to take an educational cruise to learn about the many species that inhabit the California Delta. The R/V Brownlee will be here through Feb 25th; for more information please see: <http://www.sfbaymsi.org>.
- Marina Maintenance: Replaced four light bulbs with new energy efficient LED lights. Sealed old phone boxes on A and B dock and filled in sink holes under ramp on north end of building. Repaired valve cover on B dock. Cleared debris after storm in parking lot.
- Heavy storms have resulted in pumping out several vessels and removal of several downed trees. Three trees have been removed this week. The Marina has increased its dock patrols to observe any vessels that may be taking on water and dewatering as necessary. Heavy flooding has resulted in temporary closure of the launch ramp, as the parking lot has completely flooded and debris from the river entered the marina property. Further launch ramp closures are expected this week due to the increase in tides and continued water release from reservoirs up river.
- The Fulton Shipyard Boat Ramp boarding float has been closed due to damage sustained during last week's heavy storms. Staff is getting quotes to repair or replace the structure and will be bringing alternatives back to the Council for direction and authorization to make repairs.
- Advertising and Outreach: Approved advertisements placed in Yachtsman magazine reaching over 40,000 boaters, Craigslist advertisements placed in Bay Area, Stockton, Sacramento, Monterey, and Santa Cruz listings. We are advertising Annual Boat Launch Ramp Passes for \$100 and the Automated Self fueling station on Craigslist.

Public Works Operations – Facility Maintenance Division

- City Hall: Installed credit card terminal mounts in the Customer Service Division of the Finance Department.
- Police Department: Replaced a diagram in the employee's restroom. Replaced a water valve in the Animal Services kennel area. Assisted a plumbing contractor in locating a leak and installed a white board in the Investigations Division. Cleaned up broken glass and arranged for a contractor to replace the vandalized lobby doors.
- Public Works: Installed a new faucet in the employee's break room. Raised a work station. Replaced a water filter in the ice machine.

POLICE DEPARTMENT UPDATES

- 1/26/17 at approximately 12:09 am, officers contacted the adult male victim in the Wal-Mart parking lot on Lone Tree Wy. The victim reported that he was walking to his car when an unknown adult male struck him on the back of the head with a metal object. He was knocked to the ground and the suspect took his wallet and other items he had just purchased. The victim did not see where the suspect went and sustained a minor injury to his head. He refused any medical treatment. The suspect was not located.
- 1/25/17 at 7:00 pm, officers responded to a strong-armed robbery that occurred in the Food Maxx parking lot on Lone Tree Wy. Officers contacted the adult female victim at her residence. She reported she was walking to her car about an hour prior to calling the police when an unknown adult male ran up from behind her and grabbed her purse off her shoulder. She attempted to retain the purse, but the suspect managed pull it off and ran to a waiting dark colored, 4-door vehicle driven by another male suspect. The suspects then fled the parking lot. The victim stated she did not suffer any injuries from the incident. No suspects were located.
- 1/25/17 at 5:03 pm, an officer was dispatched to assist the Fire Inspector with an investigation where a male juvenile was caught lighting a bathroom paper towel dispenser on fire at Antioch High School. The 16 year old male admitted to lighting the fire and also admitted to starting ten other fires in the past. The juvenile was arrested and transported to Juvenile Hall for arson.
- 1/25/17 at 4:15 pm, officers were dispatched to the Somersville Town Center for four juveniles who were asked to leave the property and threatened to assault a mall security guard. Officers arrived and contacted the four juveniles who were refusing to leave. The security guard gave a statement that one of the juveniles (a 16 year old male) threatened to kill him. Officers arrested the juvenile who made the threats and told the other three juveniles that they needed to leave the property. One juvenile (a 15 year old male) refused to leave the property and started telling the officers that he did not need to leave. The juvenile started to walk back towards the mall, and an officer moved in to arrest him. The juvenile started to flee on foot, and the officer took the juvenile into custody after a brief struggle. While they were taking that juvenile into custody, his two friends (both 15 year old males) tried to interfere with the arrest and were arrested for obstruction. One of the juveniles was sent to Juvenile Hall for obstructing police. The other three juveniles were booked at the Antioch PD jail and later released to their parents with a citation.
- 1/25/2017 at 12:35 pm, an officer went to a residence in the 600 block of Doolittle Wy. to look for 35 year old Michael Martinez who had a warrant for his arrest. - 1/20/17 at 8:29 pm, the victim had just arrived home on Rossi Ave. and was walking to her front door from her car, when she was pushed from behind and then pulled to the ground. The suspects, later identified as 18 year old Chris Revuelta, a 16 year old female; and a 14 year old male began kicking and hitting her while taking her purse and car keys. All suspects got into her vehicle parked nearby in the driveway and fled the area. An area check was done with negative results, and a County Wide BOLO was sent out. Later in the shift, officers received information that Pittsburg PD had located the victim's vehicle in the 600 block of Carpino Ave. Pittsburg officers were able to detain Revuelta and the 16 year old, but the 14 year old managed to flee on foot. Antioch PD officers responded and took over the investigation. The victim responded and was able to identify both Revuelta and the 16 year old. Both were later transported to County Jail and Juvenile Hall. An area check for the 14 year old met with negative results. The vehicle and most of the contents of the victim's purse were returned to her. She suffered minor injuries from this incident, but declined any medical treatment. The 14 year old is currently being sought for his involvement.
- 1/20/17 at 3:06 pm, officers were called to a parking lot in the 2700 block of Hillcrest Ave. for a suspicious vehicle with people possibly selling drugs. Officers contacted 27 year old Stephen Toungett in the driver's seat and 26 year old Brent Ferguson in

the passenger seat. Officers observed cash, a scale and marijuana in plain view on the center console. During a search of the car, officers located over four pounds of processed marijuana, over \$1,600 in cash and two electronic scales. During the investigation, Ferguson lied about his name. His identity was eventually discovered and he was issued a citation for providing a false name to police. Toungett was arrested for possession of marijuana for sales and booked in County Jail.

- 1/20/17 at 10:58 am, a 13 year old male was arrested after assaulting a classmate at Antioch Middle School. The juvenile suspect was sent to Juvenile Hall for felony assault.
- 1/20/17 at 10:00 am, officers went to an address on Magnolia Wy. to follow-up on a petty theft that occurred at O'Reilly's Auto Parts on A St. Officers found the responsible vehicle and made contact with 27 year old Lewis Butler in the passenger seat. Butler was evasive with officers and refused to give his identification. Butler got out of the van and tried to flee towards the residence. Officers caught Butler before he could make it into the home and were able to get him into handcuffs after a brief struggle. Butler was found to have a probation violation warrant. He was sent to County Jail on his warrant. Officers were able to recover the stolen property from O'Reilly's and arrested the responsible, 26 year old Darrin Hughes at the location, as well. He was also sent to County Jail on a probation violation.
- 1/19/17 at 11:56 pm, officers responded to a silent alarm at the Brown Cow Dairy on Delta Fair Blvd. The building was secure, but 35 year old Michael Kyle was contacted on the side of the business. He was found to have a warrant for his arrest. He was taken into custody without incident and booked into County Jail.
- 1/19/17 at 9:39 pm, 18 year old Genisis Barrera was contacted at her residence on San Jose Dr. Officers were aware there was probable cause to arrest her for assaulting and robbing her mother a few days prior. She was taken into custody without incident and booked into County Jail.
- 1/19/17 at 1:50 pm, the victim was walking down the street on Ridgeline Dr. when a group of subjects walked up from behind her and ripped her purse from her shoulder. The victim never saw the suspects' faces but gave a good description of their clothing. An officer was conducting an area check and saw a vehicle leaving the area occupied by several subjects. One of the subjects was wearing a shirt described by the victim. The officer conducted a traffic stop and contacted the four teenage occupants. They all admitted some involvement in the theft and took the officer back to a house where they dumped the victim's purse. One of the subjects, a 15 year old male, was a suspect the officer had been looking for regarding a robbery that occurred on the 17th at Deer Valley High School. This suspect was the primary responsible in that case, as well. He was sent to Juvenile Hall and the others were issued citations and released. The victim's property was returned to her.
- 1/19/17 at 8:09 am, officers were dispatched to a home on Reimche Dr. for the report of a trespasser at the location. This location was a Red Tagged house by Code Enforcement and Antioch PD had been dispatched there numerous times for

trespassing issues. Upon arrival, 39 year old Crystal Garner was contacted and was confrontational with officers refusing to listen to orders being given to her. She was taken into custody after a brief struggle. She was issued a citation and released.
