Eco-Hero school assemblies - The City sponsored Eco-Hero assemblies started this week. Staff was able to attend one of the performances at Belshaw Elementary.

Community Development Block Grant (CDBG):

The federal budget process has begun with the President's proposal, which eliminates all funding for CDBG and HOME. This is not likely to be the final outcome, however. The CDBG program has enjoyed widespread bi-partisan support, and the last several years Congress funded CDBG at a higher level than the President's recommendation in his budget proposal. Unfortunately, the HOME program has been under attack for the past four years, and may well be eliminated or severely reduced.

The FY 16-17 budget is presently under a continuing resolution until the end of April. The CDBG notice of funding will likely not come until sometime after the fiscal year begins.

We have been instructed by HUD NOT to submit our Action Plans until after the notice of funding is received. Therefore, the anticipated Public Hearing on May 9th will likely be delayed.

Review and evaluation of all applications by the Council Subcommittee is underway, and agency interviews have been scheduled for April 7th and 21st. The allocations are for the three-year grant cycle of 2017-18, 18-19, and 19-20, with renewal of funding for agencies that are satisfactorily meeting their goals and in compliance with regulations, based on availability of funds.

Housing:

Mobile Home Subsidy - Housing has received calls from Vista Diablo Mobile Home Estates about the rent subsidy ending in September. Currently, 81 lower income senior households receive a subsidy of \$75.32 per month, per a contract with the owners of the property that was initiated before the closure of all Redevelopment agencies statewide. Neither CDBG nor Redevelopment funds are available to continue the subsidy:

- CDBG funds **cannot be used to provide long-term rental subsidy** as this is not permitted by federal regulations.

- The Housing Successor balance **will reach near ZERO next year**, except for the few housing loan repayments that we sporadically receive.

Fair Housing and Tenant/Landlord Counseling FREE - The City of Antioch contracts with Bay Area Legal Aid (BayLegal) and Echo Housing is their partner with an office in Antioch. If anyone suspects that they have been discriminated against, or has questions about the legality of something that a landlord is doing, they can call Echo Housing toll-free at 855-275-3246.
