RELAY FOR LIFE

The 24 hour Relay for Life of Antioch event starts at 10:00 a.m. on June 21, 2014 at Deer Valley High School and the City of Antioch team wants more participants.

- Everyone who raised over \$100 should have received their Relay for Life tee shirts. Feel free to take creative liberties with it. Vanessa is VERY crafty and has great ideas and tips to add flair to your tee.
- We are in space #31, between DDSD and Republic Services.
- We don't all have to be there for the entire 24 hours so you can stay for as long as you'd like. There are several **Special Themed Laps** and two "**Team**" laps. If at all possible, it would be great if we could have a strong showing at 11am Saturday morning for the Team Spirit Lap and 6pm Saturday evening for the Relay Lap. The event concludes at 10:00 a.m. Sunday morning. If you can't be there, you can still give on-line or pledge to support one of our team members. Please visit our team page.
- Also, please help with the Lumineria Bags. We need as many regular sized cans as you all can donate so that we can weigh down the Lumineria Bags. Please, please bring them with you on Relay Day! All donated cans will be donated to our local food bank. Pet Food cans (like dog food) are welcome too and will be donated to a local animal group.
