

## Mayor and Members of City Council

*This is the City Manager's Report for the week of July 1, 2019*

### City Manager

#### Visit to Homeless Shelter

Mayor Pro Tem Motts, Council Member Thorpe and I toured the Trinity Center in Walnut Creek and Concord Adult Homeless Shelter to gather information for the Homeless Encampment Task Force process. The goal of this and visits to other facilities is to see what types of services and facilities would best serve our homeless community in Antioch. The next and final Homeless Encampment Task Force meeting will be held on August 5th.

#### Elected Women's Official Luncheon

The Elected Women's Official Luncheon was held on Friday, June 28th at Smiths Landing Seafood Grill. The group had a wonderful time networking and connecting with one another.

### Antioch Friends of Animal Services

Along with Mayor Wright, Mayor Pro Tem Motts, Chief Brooks, and Animal Services Manager Harding, I met with the Friends of Animal Services founder and president Barbara Sobalvarro and members of her board to discuss the Antioch's Animal Services operations. The meeting was an excellent opportunity for me to better understand the mission and contribution of this 40-year old non-profit that exclusively serves our Animal Services division of the Police Department. In addition to the recent completion of the surgery suite and heating and air conditioning system, Chief Brooks explained the additional positions the City Council has approved including a full-time Veterinarian, two full-time Animal Care Attendants, and an Office Assistant. It was agreed by all that Animal Services has never been run better. Thank you, Friends of Animal Services, for your faithful support and love for our animals!

### Neighborhood Clean-Up

The Antioch Police Department is excited to announce the 98th installment of the Neighborhood Cleanup Program. This is a collaborative community effort which involves active participation from The Antioch Police Department Crime Prevention Commission; Neighborhood Watch Program; Volunteers in Police Service; community volunteers and the Public Works Department.

The 98th Neighborhood Cleanup event will occur on Saturday, July 6, 2019 from 9:00 a.m. to 11:00 a.m. We will be cleaning the neighborhood around Mahogany Way and Sycamore Drive from Manzanita Way to Spanos Street and neighborhoods in between. If enough volunteers show up, we will expand the area to the Lowe's Parking lot. Volunteers should meet at Contra Loma Estate Park, corner of Manzanita Way and Mahogany Way

Volunteers will receive instructions and the equipment necessary to accomplish the goal. Remember, cleaning up your neighborhood can make life better for your family, your neighbors and your community!

### Police Explorers

This past weekend our Police Explorers participated in the Central Valley Explorer competition. The event was attended by 32 individual Police Explorer programs from across California and as far away as the State of Washington. Explorers are tested and evaluated on various law enforcement related activities. The competition also allows them to develop their leadership skills with practical exercises.

Our Explorer team placed second in the vehicle search scenario, and Explorer Green placed second in Physical Agility. Our Explorer program and these competitions provide invaluable learning opportunities for young adults who have an interest in a future law enforcement career. If you know a young adult with an interest in law enforcement find out more about our Explorer program [here](#).

## Community Development

### Building Inspection Services

The Community Development Department is proud to recognize Taylor Lopez on her recent appointment as a Building Inspector I with Certification. Taylor began her career with the City of Antioch as a summer lifeguard from 2006-2013 while attending Antioch High School. She then worked as the Water Park Coordinator from 2013-2014 and later became the Administrative Assistant for Code Enforcement, where she served from 2014-2015. Most recently, Ms. Lopez worked as a Code Enforcement Officer from 2015-2019, where she focused on housing-related issues and worked with the Community Development Block Grant (CDBG) program in qualifying neighborhoods.

Taylor holds a Bachelor of Arts Degree in Political Science from Humboldt State University and a Master's in Public Administration and Policy Analysis from California State University, East Bay. Ms. Lopez worked hard to acquire the certification to be a Building Inspector I and will undoubtedly have a successful career in this venture. ### Meadowbrook Park - Playground Resurfacing Completed

Public Works closed the playground Meadowbrook Park while contracted crews replaced the rubberized playground surface material last week. The rubberized material is made from shredded, recycled rubber tires. The City uses colored recycled rubber tires for the top layer only. The rubber surface is specifically designed for aesthetics, child safety, or ADA wheelchair accessibility; it's pretty bouncy and fun to walk on too. Thank you to everyone for your patience while these improvements were completed. I think you will agree the results are worth the wait.

### Completed Paving

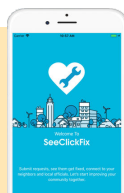

Street Maintenance Public Works crews finished paving the westbound lane of Hillcrest Avenue between Wildhorse Road and Bellflower Drive.
