NEIGHBORHOOD CLEAN-UP

The Antioch Police Department is excited to announce the 74th installment of the Neighborhood Cleanup Program. This is a collaborative community effort which involves active participation from The Antioch Police Department Crime Prevention Commission; Neighborhood Watch Program; Volunteers in Police Service; community volunteers and the Public Works Department. This event will occur on **Saturday, September 3rd 2016 from 9:00 a.m. to 11:00 a.m. near Chaparral Park.** Volunteers can park on Candlewood Way alongside Chaparral Park. We will be cleaning the neighborhoods along Oneida Way, Grass Valley Way, Arroyo Way, Stagecoach Way, Pawnee Dr., Kiowa Ct., Blue Sky Ct., Candlewood Way, and Prewett Ranch Drive between the listed locations. Volunteers will receive instructions and the equipment necessary to accomplish the goal. The targeted area is within walking distance. Collectively, **“We”**, everyone who works and lives in the City Antioch, can make a difference and improve the quality of life. It’s our community and it’s our chance to make a difference.

CANDIDATE FORUMS

Candidate forums for Mayor, City Council and School District Board of Trustees will be hosted by the Friday Morning Breakfast Club and the League of Women Voters at the City Council Chamber as follows:

Jonathan Poretz - Ol' Blue Eyes and Friends
A Salute to Frank Sinatra and his Rat Pack
Sunday September 11, 2016 3:00 pm

Celebrate the legacy of American icon Frank Sinatra and his Rat Pack when jazz artist Jonathan Poretz brings Ol' Blue Eyes and Friends to Antioch's El Campanil Theatre. Best known for his role as Sinatra in the long-running Las Vegas show The Rat Pack Is Back, Poretz, currently touring with Tony Bennett, recently returned from a 52-city tour of Germany where he played Sinatra in a Vegas-style tribute show. Now see Poretz create an intimate, after-hours atmosphere reminiscent of the swinging '60s, as he performs beloved songs like "That's Life," "The Best is Yet to Come," "I've Got You Under My Skin," "Theme From New York, New York" and many more.

RECREATION UPDATES

- On Sunday, 14 adult co-ed softball teams converged at the Antioch Community Park softball complex for the 2016 Northern California State Championships. The United States Specialty Sports Association sponsored the event with teams from Antioch, Merced, San Jose, Stockton, Daly City, Santa Cruz, Oakland and Hayward. The top 8 finishers earned a coveted berth and a right to play in the Northwest Nationals that also will be held in Antioch at the Sports Complex on September 25th.
- Registration is now open for all fall programs and Pre-School has already reached 50% capacity. Do not wait until the last minute to register for classes and activities. Fitness, education and recreation programs are available for youth, teens and adults. Register on-line or stop by the Community Center on Lone Tree Way.
- On Wednesday, staff attended the "Creating a Healthy Community Through Play" Symposium in Oakland. Speakers shared their experiences about the importance of play and how it should be a part of recreation and parks, as well as the importance in our everyday life.
- Last week, the Antioch Water Park opened new hours during the week – 4 to 8pm Monday through Friday! **BE COOL BY THE POOL!!** while it is still hot outside.
- Water Aerobics continues to be very popular with over 30 participants between Saturday, Monday and Wednesday classes. Classes continue through October 15, 2016.
- Water Park staff has reserved numerous group & birthday parties for the last two weeks of the season at the Water Park! Weekend attendance for the last two weekends of the 2016 season is expected to be very busy!
- On Monday, Water Park staff focused on claiming the Antioch Water Park as "their business" on Google. As a result, when people research the water park through Google the Antioch Water Park shows up first. The facility information is now updated with new pictures showing the facility and current hours and programs.
- Last week, the contractor began pouring concrete at the Spray Park inside the

Antioch Water Park. Spray features will be put into place soon!

- Last Week, California Department of Industrial Relations Amusement Ride and Tramway Unit gave the green light to begin operating the Canyon Cooler slide following repairs that were completed. Park visitors were excited to have the slide back in operation!
- On Wednesday, Contra Costa County Hazardous Materials conducted a routine inspection of the Antioch Water Park. Both the Department's Hazardous Materials Program and Hazardous Waste Disposal Program were found to be in compliance with no violations.
- Throughout the week, recreation maintenance staff worked to repair the Sally Port gate at the Antioch Community Center.
- On Thursday, a team of City staff met with a representative from Quest to discuss the possibility of developing some energy efficiency upgrades for the Nick Rodriguez Community Center.
- Last week, the Parks and Recreation Commission held a regularly scheduled meeting. The Commission reviewed playground concepts for Prosserville Neighborhood Park.

Senior Center Services

- Last week, 410 affordable healthy meals were served through the C.C. Café; an increase of 10 over last week. The daily lunch and socialization help prevent heart attacks, depression, asthma and congestive heart failure. No membership or income requirements are required to eat at the C.C. Cafe. The nutrition program is a partnership with Contra Costa County and the City of Antioch.
- Staff continued reaching out to vendors for the Resource Fair and began processing applications from contacted vendors. The Resource Fair includes businesses, health organizations, non-profits, and medical practitioners within Antioch and throughout Contra Costa County. The Resource Fair is scheduled on September 30th. Mark your calendars!
- Last week, staff delivered the September/October Newsletter to the printer; mailing labels were printed and volunteers will prepare the newsletter for mailing.
- Staff began working on the PowerPoint video presentation of the September/October Newsletter for the big screen TV over the Nutrition desk.
- The Hula classes on Tuesdays continued at the Nick Rodriguez Community Center. This class routinely attracts 10-15 seniors and they are practicing in order to do a presentation to the rest of the Senior Center in October.
- On Wednesday, August 24th the Contra Costa Senior Nutrition Program completed an inspection on the Antioch Senior Center and our delivery of the program. The Nutritionist was impressed with the program offered at the Antioch Senior Center.
- Staff created thank you cards for Friday's car show participants and created a registration form for future shows; the Club raises funds to support the Senior Center.
- To date the Senior Club has received new and renewal membership applications from 943 seniors.

Homeless:

Homeless Continuum of Care HUD Funding Round 2016 – Two Antioch members of the Council on Homelessness served on the Rating and Ranking Committee this week to review 23 projects and make recommendations to allocate over \$11 million in HUD funding for the coming year. The bulk of the funding goes to provide various services that are coupled with housing subsidy for chronically homeless persons and persons with mental health, substance abuse, and other disabilities. Other projects include permanent

supportive housing for families and homeless youth, rapid re-housing for persons who are homeless, and funding for the new Coordinated Entry project. Funding was also recommended for Tabora Gardens to bring extra services to Veterans.

Coordinated Entry Project – Contra Costa County and all service providers that serve homeless persons have worked hard over the past two years to completely transform the way homeless person's access and receive services and housing throughout the entire county. The new approach features greatly enhanced coordination and collaboration between health services providers, mental health services, alcohol and drug services, homeless service providers and housing service providers. Such an approach is being encouraged by HUD, and it is based on best practices throughout the USA and Canada.

The redesigned system features a coordinated process from the moment of first contact, including participant intake, assessment of needs using standardized assessment tools, provision of referrals, standardized performance evaluation, and ease of access by individuals and families seeking housing or services.

The County Homeless program recently put out a Request for Proposals (RFP) to begin funding this transformation in our County. The **Contra Costa Coordinated Entry Project** RFP is for \$1,013,000 and is only the first of more expected funding to come. The results of the awards will be included in this report once they are finalized.

Project Homeless Connect will be held at the County Fairgrounds in Antioch on Thursday, October 13th, from 9 am to 3 pm. Homeless Connect is a one-day, one-stop event that provides on-site healthcare, social services and housing resources to persons experiencing homelessness. Community members who would like to learn more about volunteering can register here: <http://goo.gl/forms/PIVDeW2txMdH902C2>

Housing:

Over the past six months, the CDBG/Housing Consultant has been working with the Bay Area Affordable Homeownership Alliance (BAAHA) to design a First Time Homebuyer program for residents of the City of Antioch. This program would bring together existing subsidies from CalHFA, County Mortgage Credit Certificates, Federal Home Loan Bank (Wish Program), National Homebuyers Fund (NHF), GSFA Platinum Program, and possibly others. The goal is to create a package of subsidies which will allow existing Antioch renters to become first time homebuyers, which does NOT require an investment of City funds in each mortgage. Development of program components and securing of partners is nearing completion and the program is expected to be proposed to staff and Council within the next month.

Drought Updates:

While this winter brought us enough rainfall and snow pack to make it through the dry season, conservation is still vital and many prohibited uses are still being enforced. Visit www.antiochwater.com for the list of prohibited water uses.

Last Week's Irrigation Repairs and Service:

PUBLIC WORKS UPDATES

Administration

- Staff met with the consultant who will be performing this year's Pavement Management System (PMS-a management tool used to aid pavement management decisions) for the City. This effort is funded through a grant provided by the Metropolitan Transportation Commission (MTC). With the significant amount of work done and being done on our streets over the past several years, staff is anticipating that our pavement rating will increase for the first time in many years. Like most cities, Antioch has a significant amount of deferred maintenance related to our streets that continues to deteriorate if an aggressive pavement rehabilitation program, like the one Antioch has been implementing, is not developed and funded.

Engineering & Development Services

- City-owned cell sites, various locations: Staff is performing site visits and review of land leases, 100% construction drawings, consent letters, photo-sims and related technical reports and materials in response to various applications for equipment upgrades and site modifications.

- Delta Courtyard Apartments, located at 701 and 810 Wilbur Avenue, a proposed 126-unit multi-family apartment complex: Staff is preparing conditions of approval for Pacific West Communities' application. A Planning Commission hearing is scheduled for September 7th.
- The Habit Burger, a new restaurant development, located at 2424 Mahogany Way: The project was approved at the July 20th Planning Commission meeting. Staff is reviewing construction drawings for building permit issuance.
- Laurel Ranch, a 180-unit housing development by Richland Communities, located at the eastern terminus of existing Laurel Road and west of Highway 4: The project was recommended to the City Council for approval at the July 20th Planning Commission meeting.
- Olive Groves Subdivision, 263 single-family detached senior housing units with assisted living facility, commercial uses and open space, south of Sand Creek, east of Deer Valley Road: Residential portion gated with private streets. Staff is preliminarily reviewing the PDP-16-01 application.
- Park Ridge Phase I, a 123-unit housing development by Davidon Homes, located west of Canada Valley Road and east of Highway 4: The subdivision plan and map checks have been completed and staff is working with the developer to form a district to fund offsite improvements. Staff is reviewing proposed Slatten Ranch Road infrastructure improvements.
- SR4 (Segment 2) Contra Loma Blvd. Interchange/'G' Street Overcrossing Project: The project has been accepted by the State. City staff is working with Caltrans to complete the City punch list.
- SR4 (Segment 3A) 'A' Street/Lone Tree Way Interchange, Cavallo Road/Garrow Drive Undercrossing Project: City staff is working with Caltrans to complete the punch list. There will be lane closures in both directions on A Street/Lone Tree Way between Rossi Ave. and E. Tregallas Rd. from 9 am to 3 pm. The new traffic signal on A St at Sunset/Rossi is tentatively scheduled to be operational next Wednesday, August 31st. Pedestrians and motorists are advised to exercise caution while travelling through the construction area.
- SR4 (Segment 3B) Hillcrest Avenue Interchange and BART Tunnel Project: Staff prepared a punch list for Caltrans' contractor to complete. There will be lane closures in both directions on Hillcrest Avenue between Larkspur Drive and Sunset Drive from 9:00 am to 3:00 pm. Pedestrians and motorists are advised to exercise caution while travelling through the construction area.
- Vineyard Self-Storage, located at E. 18th Street/Vineyard Drive: Staff is preparing conditions of approval for American Recess' application. A Planning Commission hearing is scheduled for September 7th.
- Aviano, an approved 533 unit housing development located west of the current terminus of Hillcrest Avenue, east and north of Dozier-Libby Medical High School: Staff has reviewed the 3rd submittal for the first phase of construction documents and returned the plans and other documents for revisions.
- Staff is working with the developers to create Community Facilities Districts for Sand Creek Focus Area landscape maintenance.

- Tabora Gardens, a senior apartment complex on James Donlon and Tabora Drive: Staff has completed our review of the plans, reports and other documents and will be issuing an encroachment permit.
- Child Care Education Building in Williamson Ranch Plaza: Staff has returned the plans with comments. We are waiting for quitclaim of easement from Contra Costa County Flood Control District.
- 326 Nash Avenue: The owner/applicant is requesting to merge parcels. We are working with the applicant to take the merger to the Planning Commission for approval.

Capital Improvements Division

- Country Hills Drive and Vista Grande Drive Water Main Replacement: A-S Pipelines, Inc. is completing final site cleanup.
- Sunset Booster Pump Station Replacement: JMB Construction is installing the underground piping facilities and has placed the temporary booster pump station into service. The existing underground facility and adjacent concrete flatwork is being demolished.
- Marina Boat Launch Restroom Facility: The California Department of Parks and Recreation, Division of Boating and Waterways is reviewing the City's proposed design, construction and maintenance schedules.
