#### The Barbershop Forum

Along with Mayor Pro Tem Thorpe and Council Members Ogorchock and Wilson, Chief Brooks and many of his command staff and officers, and I attended the Barbershop Forum held at Antioch High School. Moderated by Paul Chambers of Channel 2 News, the well-attended event was an opportunity for interested members of our community and the surrounding region to ask the Police Chief questions and concerns they have about the Antioch Police Department. As the group wrestled with how we can keep our community safe and our youth occupied with positive activities and programs, Mr. Chambers closed down the interaction with a call for everyone to be personally accountable for their actions and to work together toward common solutions to our shared desire to see Antioch be a safe, transparent and accountable community.

#### Delta Villa Senior Mobile Home Park

I met with the HOA president and representatives of the 108-unit Delta Villa Senior Mobile Home Park, located on East 18th Street, to discuss concerns they have over losing their senior designation, increasing rents, rodent control and rising utility costs. Like many of our residents, these citizens are committed to seeing our quality of life continue to improve and want to do their part.

#### Smith's Landing, located at the Antioch Marina, is now officially open!

With soft-openings last Thursday, Friday, and Saturday benefiting Delta Veterans, Antioch PAL and Delta Advocacy; a VIP event Monday and first night this Tuesday, the five-star reviews are coming in. The setting at the marina and on the Delta is spectacular, the ambiance amazing and food beyond delicious. Thank you to Sean and Maria McCauley, and Randy and Lynn Tei for making this top destination on the Delta a reality.

**CENTURY**  
COMMUNITIES

I also met with the Vice President of Century Communities to discuss their plans to begin constructing houses at the new Acacia Development being built in south Antioch between Heidorn Ranch Road and Hillcrest Avenue. Being the first gated active adult community in Antioch, it is exciting to see the fast progress they are making building streets and lots in preparation for a Spring 2019 housing start.

#### East Contra Costa Emergency Preparedness & Safety Fair

There were a lot of great things going on this weekend. Our Explorers, VIPS, Neighborhood Watch, Crime Prevention Commission, McGruff, along with Officer Mayer and K9-Dex attended the East Contra Costa Emergency Preparedness & Safety Fair. We met a lot of great people and shared information about crime prevention and the numerous programs we have in our police department. While that was going on, CSO Harvey and Officer Blanco stopped by to hang out for a bit with everyone at Prosserville Park for a kickoff event with Contra Costa First 5 and PACE. The event was designed to get residents back into the parks and celebrate our Community! There were several events such as Zumba dance, relay races, face painting, and arts & crafts. The kids were very excited to play on the brand new playground equipment; and, as you can see, even our officers are still kids at heart.

### Police- Animal Services

Longtime shelter resident, Keith, came to Antioch Animal Services on March 9, 2018. Everyone at the shelter saw something great in Keith, but he needed a little work. Over the past several months, shelter staff and volunteers gave Keith some extra attention and taught him some basic commands. Through their efforts, Keith learned some manners, and has been adopted! Keith, now known as 'Jack' met a wonderful couple a few days ago at the shelter. Needless to say, they fell in love with him, and decided to make him their own! Happy Tails to you Jack!

### Water Distribution 24/7!

Water crews had their hands full this week with an unseasonably high number of water leaks. Leaking plastic water service lines was the theme all week and topped off with a leaking water main valve. Emergency repairs occurred during all hours with three emergency repairs taking place late into the evening and rolling into early dawn.

Even routine repair operations can be challenging at night; crews use heavy equipment such as backhoes and Vac-Con Hydro-Excavators that are equipped with large boom lights. However, it is the Glo-Bug light stands and gas operated light trailers that make the job possible in a safe, timely manner and minimizing water service interruptions. You may have seen our crews at Ashley Way, Crestwood Dr., Worrell Rd., Bellflower Dr., Danbury Ct., Geyser Circle and Fawn Hill Dr.

**Remember, if you experience a water leak; call Public Works first to see if we can help.**

### Mira Vista Hills Park

Baseball field, picnic areas, walk around park, tennis court, basketball, play structure, and horseshoes. It is all here at the south end of Gentrytown Drive! Try it today.

#### About The Play

Woe falls upon Chuck Wagon's wagon train, stranded in the notorious Whistling Skull Rock crawling with villains and bandits! This fast-paced spoof of the Old West is filled with a goofy stable of hilarious characters: hero, Chuck Wagon; sweet heroine, Candy Cane; and the villainous crooked card dealer, Smiling Slade. The wagon train gets robbed by the mysterious outlaw known as "The Snake," but Chuck is accused of being the bandit and proving his innocence isn't easy. There's Wild Bill Hiccup, the Hamm sisters, Señorita Juanita and Clagget's evil ally, Sue Flay. Toss in an election for the town mayor, an old Spanish land grant, some Western entertainment and action, and audiences will be rollin' in the aisle by the time the wagons start rollin' out!
