## OFFICE OF THE CITY CLERK UPDATES

Received and opened five bids on Tuesday, September 9<sup>th</sup> for the Fulton Shipyard.

Mailed the decision letters from the September 4<sup>th</sup> Board of Administrative Appeals hearing to the appellant and their attorney.

Received at FPPC Form 497 Contribution report from a Mr. David Bauer out of Sacramento for the “NO ON MEASURE O, A COALITION OF SENIORS, HOME OWNERS AND LOCAL BUSINESS OWNERS SPONSORED BY THE CALIF. APARTMENT ASSOC.” FPPC ID# 1370870. Since I had not received an FPPC Form 410 Statement of Organization Recipient Committee for this filer, I contacted the FPPC Enforcement Division and found that they became a qualified committee on 9/3/2014 in the jurisdiction of Antioch. Per the Form 410 instructions, as the filing official I should have been sent a copy at the same time as they sent the original to the Secretary of State. I then discovered that they had sent an Amended 410. I contacted Mr. Bauer who assured me that he had mailed the original Form 410 to our office on 9/2/14; however it was not received. Three additional Form 497 contribution reports for the NO on Measure O committee were received on Thursday.

The City Clerk and Deputy City Clerk attend the ECS Imaging Laserfiche all day training sessions in Walnut Creek on Thursday. Also attending was the new hire from HR and staff from the AUSD and Delta Diablo Sanitation District.
