NEXT NEIGHBORHOOD CLEAN-UP

The Antioch Police Department is excited to announce the 76th installment of the Neighborhood Cleanup Program. The event will occur on **Saturday, November 5th 2016 from 9:00 a.m. to 11:00 a.m.** We will be cleaning the neighborhood along Sequoia Drive, Redwood Drive, and surrounding streets. Volunteers will meet at the south end of Cherry Street and park along the curb near the trail/open space (see map).

Volunteers will receive instructions and the equipment necessary to accomplish the goal. The targeted area is within walking distance. Excluding inclement weather, future Neighborhood Cleanup events are scheduled for the first Saturday of every month and the locations will be announced in advance.

This is a collaborative community effort which involves active participation from The Antioch Police Department Crime Prevention Commission; Neighborhood Watch Program; Volunteers in Police Service; community volunteers and the Public Works Department. The City of Antioch Neighborhood Cleanup program is not just for residential neighborhoods. It is a program that will change venues on a monthly basis and it will include business and commercial areas as well. Neighborhoods that are free of trash and refuse are inviting, and a clean community instills a sense of community pride. Remember, cleaning up your neighborhood can make life better for your family, your neighbors and your community!

NEW PLAYGROUND RIBBON CUTTING

The new "All-Access Playground" at Prewett Community Park opens on **Saturday November 5, 2016 AT 11:00 a.m.** Join the City of Antioch for the ribbon-cutting event and community celebration. There will be light refreshments and activities for children. The consultant is in the data collection phase right now. We have been keeping them informed of the complaints near the freeway so they are very aware of the issues.
