

CITY MANAGER'S

Weekly Update

NOV 5
2018

Mayor and Members of City Council

This is the City Manager's Report for the week of November 5, 2018

City Manager

BART to Antioch reaches one-millionth rider milestone

The BART to Antioch extension carried its one-millionth rider this week, just five months after the debut of the new service in East Contra Costa County. The tremendous success of the extension has pushed the demand for parking at the Antioch Station beyond the available space. To address this need, BART announced last month plans to nearly double the number of spaces with the addition of 851 spots expected to be open in the fall of 2020.

2nd Annual Senior Mall Walk

Along with Council Member Tiscareno, representatives from Congressmember McNerney's and Assemblymember Frazier's offices, and Oakley Council Member Romick, and I attended the Second Annual Senior Mall Walk hosted by Council Member Ogorchock at the Somersville Towne Center. Also sponsored by An Elderly Wish Fdn. and Meals on Wheels Diablo Region, this event is an opportunity for seniors from Antioch and East Contra Costa County to get out and walk around the mall while visiting tables with resources from numerous providers of senior services.

Mayor Wright and I attended the Mayor's Conference hosted by the City of Orinda where we heard a presentation by Lara DeLaney, Director, Contra Costa County Office of Reentry & Justice on post-AB 109 public safety realignment and justice reforms in our county. Antioch is a participant in this program which strives to redefine ways to reduce recidivism with continually changing rules and regulations from the Federal and State governments.

Trick or Treat at the Antioch PD

My grandsons, family and I enjoyed an amazing Halloween event at the Antioch Police Department. As they always do, our officers, dispatchers, non-sworn staff, command staff, Explorers and Chief Brooks served both young and old with games, candy, tours, a scary haunted house, candy, meet the canine officers and their dogs, candy and more candy. Chief Brooks and the men and women of APD truly care for our community and show it through events like this!

CITY MANAGER'S WEEKLY UPDATE

November 5, 2018

Police

Canine Team

We are pleased to announce the appointment of Officer Shipilov and K9-Tzak "Tak" as our 6th Canine Team. We were fortunate to hire Officer Shipilov along with K9-Tzak, who both worked at the Brentwood Police Department before joining the Antioch Police. Officer Shipilov is a 10-year veteran, and K9-Tzak has two ½-years of patrol experience. K9-Tzak is a four ½-year-old Belgian Malinois, who originally came from the Czech Republic. With the addition of Officer Shipilov and K9-Tzak, our Canine Unit is now fully staffed with one Canine Team on every patrol shift. Our canines serve a significant role at the police department by helping apprehend criminals and assisting us in locating missing persons, as well as locating drugs, evidence, and firearms. These canine partners help keep our officers safe while serving our community members in ways our officers can't. Officer Shipilov and K9-Tzak are very excited to serve together as patrol partners here in Antioch.

Volunteers in Police Service

On October 25, 2018, our 20th class of Volunteers in Police Service (VIPS) graduated. These dedicated citizens attended a week-long academy where they received police related training from several instructors at the department. After the academy, they receive additional field training from our experienced volunteers on the various duties they will be performing. Our Police Volunteers provide valuable services to our

community which we would not otherwise be able to offer. These VIPS assist with abandoned autos, parking enforcement, traffic control, records and data entry, as well as park and vacation home checks. We are so thankful for our volunteers who donate their time and energy to our police department so that we can continue to offer these valuable services to our citizens. If you're interested in volunteering with the police department, you can find out more at <https://www.antiochca.gov/police/vips-program/>.

CITY MANAGER'S WEEKLY UPDATE

November 5, 2018

Police- Animal Services

Antioch Animal Shelter on Halloween

Antioch Animal Services staff and volunteers had spooktacular time giving candy to all the visitors who came to the Antioch Animal Shelter on Halloween! Our special guests, Snow White (AAS Volunteer, Terry) and Maddie, made sure everyone had a howling good time, as they visited the shelter to receive their treats.

Human Resources

Currently open recruitment's include:

- Police Officer Lateral (continuous)
- Police Academy Graduate/Student (continuous)
- Police Trainee (continuous)
- Water Treatment Plant Supervisor
- City Attorney

There are always exciting career opportunities with the City of Antioch. The City's open recruitment's can be found on the Human Resources page of the City website <http://antiochca.gov/Human-Resources>. Click on Job Opportunities or Promotional Opportunities, click on the Job Position, click on Apply.

CITY MANAGER'S WEEKLY UPDATE

November 5, 2018

Recreation

Halloween at the Senior Center

On Wednesday, the Senior Center hosted a Halloween Party; complete with costume contest and party activities. The game room was a huge attraction, and mini basketball was a favorite experience where members challenged each other to a shootout. The fun did not stop there as other activities included monster movie trivia and a special spooky lunch provided by CoCo Café. The Senior Club sponsored raffles, door buster prizes, and great gift baskets. Congratulations to the lucky raffle prize winners and thank you to the volunteers who helped make this day fun.

More Halloween Fun!

Little princesses, firefighters, witches, and superheroes were at the Antioch Community Center on Tuesday and Wednesday as the Preschool classes dressed up in their best costumes and trick-or-treated through the Recreation Department.

#EndAlzheimers

On Friday, seniors participated in the Senior Mall Walk at Somersville Towne Center. This event was held in support of Alzheimer's Awareness month, to support the fight against the disease, and to connect local residents of the aging population to services to help them live a better life. Antioch Recreation was a vendor and special thanks to Tri-Delta Transit for providing special transportation.

Antioch Council of Teens

On October 25th, the Antioch Council of Teens (ACT) volunteered at the Families Against Domestic Violence Forum hosted by the Contra Costa County District Attorney Office at the AWP Multi-Use Room. Twenty-Five ACT members showed their dedication and support to the Antioch Community by participating in this event.

CITY MANAGER'S WEEKLY UPDATE

November 5, 2018

Community Development

Planning

Costco Wholesale at 2201 Verne Roberts Cirlet has submitted an application for an expansion of their gas station service area. The proposed fuel facility expansion consists of the installation of four new multi-product dispensers and a 3,360 square-foot fueling canopy expansion (7,200 square feet total). The canopy expansion is designed to match the existing structure and will include a tan, metal-wrapped canopy fascia with a cornice and CMU wrapped canopy columns. This expansion will reduce lines and make it more convenient to purchase gas from Costco.

Environmental

November 1st marks the beginning of the Winter Spare the Air program. In the wintertime, particulate matter — especially particulate matter 2.5 microns or smaller in size, also known as PM2.5 — can become a serious problem in the region. To protect public health, the Air District will issue a Winter Spare the Air Alert when PM2.5 concentrations are expected to be unhealthy. From November 1 through the end of February, when a Winter Spare the Air Alert has been called, burning wood, fire-logs, pellets, or any other solid fuels in your fireplace, wood-stove, or other wood-burning device is illegal. Follow these links for more information on the Air District's wood-burning regulation, and instructions on how to comply. Sub-contractors working with the Air District will be going door to door in Antioch starting on November 15th to educate residents and survey our community. You can also file a wood smoke complaint online.

Environmental Resources is excited to announce that SunShares is a renewable energy program making it easier and more affordable for Bay Area residents to #StepUp2018 and go solar or purchase an electric vehicle.

BayAreaSunShares offers a 15% discount on solar installation from pre-vetted solar providers. Plus, you can still take advantage of the 30% Federal Tax Credit. Sign up at www.bayareasunshares.org for more information BEFORE November 15.

CITY MANAGER'S WEEKLY UPDATE

November 5, 2018

City Clerk

Early Voting

Antioch is hosting an Early Voting location at the Antioch Community Center located at 4703 Lone Tree Way. A registered voter from anywhere in Contra Costa County can vote early here.

To be considered for these volunteer positions, a completed application must be received in the Office of the City Clerk by the dates listed above. Applications are available at www.antiochca.gov and at the City Clerk's Office, City Hall, 200 H Street, Antioch, CA 94509, (925) 779-7009, Monday through Friday, 8:00 a.m. to 5:00 p.m. Applications and resume can be emailed to cityclerk@ci.antioch.ca.

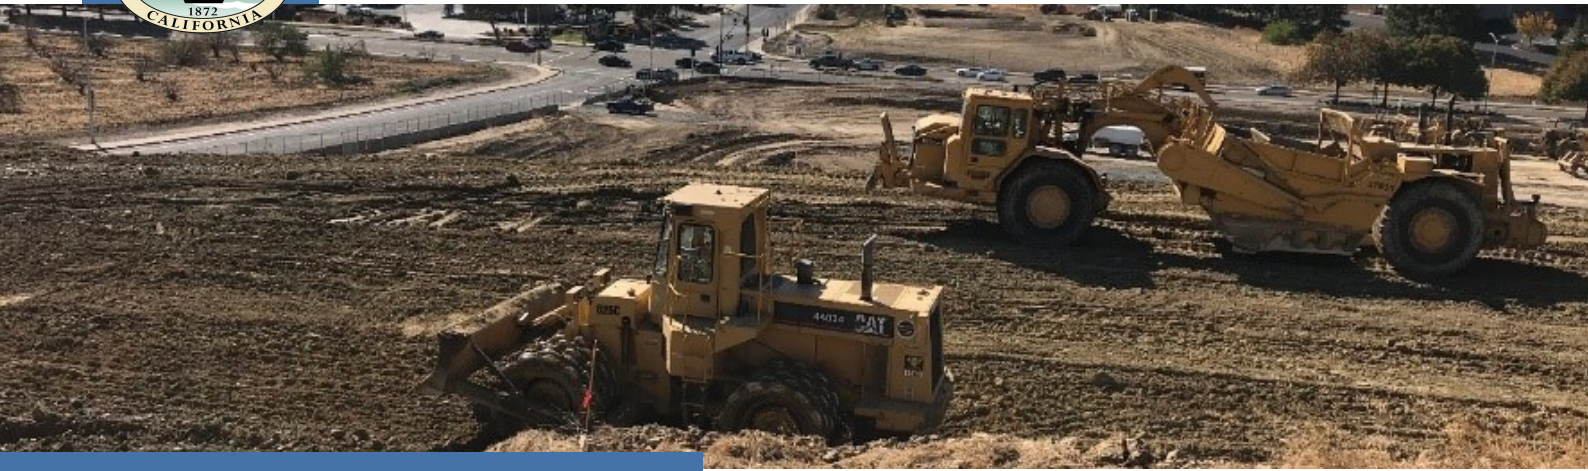

The Board of Administrative Appeals met on Thursday, November 1st to approve liens for Code Enforcement citations and delinquent Business Licenses; and hear one appeal.

CITY MANAGER'S WEEKLY UPDATE

November 5, 2018

Public Works

Join us on [Facebook](#) to receive notification of Public Works projects.

Night Survey Work

The Street Maintenance Crews will be conducting its annual nighttime survey beginning Monday, November 5th through the month of December from 5:30 p.m. – 9:30 p.m. (weather permitting). The crew will be driving a City utility truck identifiable by the reflective 'NIGHT SURVEY' placards on its doors. The purpose of this work is to identify deficient reflectivity on signs and traffic markings, street light outages and other nighttime sensitive items relative to keeping the City's roadways safe.

What is a V-Ditch?

You may have seen a v-ditch and not known what it is or why we need them. During the winter months, v-ditches play an important role in collecting and conveying storm-water. Over time vegetation and sediment collects in the v-ditches. Periodic removal of this material is required to maintain the hydraulic capacity of the ditches and protect the roadway and traveling public. Our NPDES crews routinely clean v-ditches as part of our preventative maintenance programs; this work helps keep Antioch cleaner and safer for everyone. We are starting our V-Ditch cleaning season so keep an eye out for our crews.

Volunteers

Public Works wants to send a big 'Thank you' to community volunteer group 'Recovery Champions' for their hard work along the sidewalks on Lone Tree Way. These citizens are dedicated to doing what they can to clean up our community.

Thank you Recovery Champions for your hard work!

CITY MANAGER'S WEEKLY UPDATE

November 5, 2018

Economic Development

Antioch Chamber Mixer at TreVista
November 8th, 2018
from 5:00 p.m.-7:00 p.m.
3950 Lone Tree Way, Antioch

The A-Team

The first meeting of the A-Team was conducted this past week between staff and prospective company looking to bring a new highly lucrative business to Antioch. The A-Team is coordinated by the Economic Development Director and includes any director that can provide pre-application insight into a possible project. In this first meeting, the City Manager, Economic Development Director, Community Development Director, Police Chief (with additional PD staff), and Director of Public Works met with a successful cannabis operator from a neighboring city. The meeting was a success, and the A-Team identified several elements that should be considered by the applicant and would be addressed by staff during the application process.

Grand Opening Party

Somersville Pet Supply Ribbon Cutting

November 7, from 5:30-7:00 p.m.
2643 Somersville Rd. Antioch

Third Thursdays

Food Truck Third Thursdays at the Antioch Community Center & Water Park parking lot. The food truck market takes place the 3rd Thursday night of November, December, January, and February from 5:00 p.m. to 8:00 p.m. This event is sponsored in part by the City of Antioch Recreation Department and is presented by The Foodie Crew.

Opportunity Lives Downtown

Over the past couple of years, the city has made strides to change the look and feel of Downtown by improving Waldie Plaza, upgrading street lighting to LED, lighting trees along Second and G Streets, the opening of Smith's Landing at the Antioch Marina and working on improving the Amtrak Station to name a few. The City Manager, Director of Public Works/City Engineer and I toured these areas to identify other improvements that we can bring to make these areas more inviting to our residents and visitors. Keep a look out for a cleaner, safer, more attractive and pedestrian-friendly Downtown as we continue to make this one of our priorities
