# Antioch Police S.W.A.T. Training Form

## Training Objectives:

The team will be trained in the basics of room clearing, CQB principles, sectors of fire, moving to points of domination, etc. The team will also be trained and tested on how to recognize and clear dead space while maintaining muzzle discipline, proper blocking techniques and overall competency in tactical movements. The team will demonstrate their proficiency through the use of simunitions and targets in various rooms. The team was also instructed by PowerPoint over the principles of PIETO as established by the NTOA. Interaction was encouraged and the team members were asked to identify various principles of PIETO during the presentation.
