

TACTICAL TRAINING OUTLINE

APD 02/02/22 & 02/09/22

1. Preliminary Overview and Introduction

- a. The group will be shown videos, in a classroom setting, demonstrating proper vs improper tactics
- b. The group will then be brought to the training site and instructed in proper room clearing tactics. They will receive instruction in the proper use of angles and visual clearing.
- c. The techniques will be demonstrated, and each member of the group will participate.
- d. Discussion of proper commands to be given when encountering a subject in a room will be discussed and demonstrated.

2. Hallways

- a. The group will be shown how to bring these concepts to a hallway and will be shown proper tactical movements and clearings while in hallways.
- b. Proper commands will be demonstrated when encountering a subject in a room while an officer is in a hallway.

3. Room Entries

- a. The group will be shown proper room entries and proper tactical movements prior to making entry.
- b. Officer safety and proper commands when encountering a subject will be demonstrated and drilled.

4. Scenarios

- a. Various scenarios will be presented, and the officers will have to show proficiency in the tactical training and delivering proper commands to a subject
- b. Debriefs with each group of officers will be given.
