## APD K-9 unit Monthly maintenance training and annual certification 05/20/2020.

### 1. APD K9 Policies

Review of the following APD policies:

1. Policy 311-Canines
2. Policy 300-Use of Force

### 2. Obedience training

Demonstrate obedience with the canine on and off lead.

### 3. Narcotics Detection

Locate narcotic odors that are hidden in an outdoor area as well as inside of a building.

### 4. Area search

Locate the decoy hidden in an open outdoor area.

### 5. Building search

Locate the decoy hidden inside of a building.

### 6. Standing Call-Off

Direct the canine to apprehend the decoy from a distance. Then re-call the canine back to the handler prior to the canine apprehending the decoy.

### 7. Master Protection

While the canine is at a down, the handler interacts with the decoy. Then direct the canine to apprehend the decoy as the decoy, as the decoy simulates attacking the handler.

### 8. Verbal release

Allow the canine to apprehend the decoy and have the canine release the decoy using only verbal commands.
