If the bid is on an "all or nothing" basis, this must be stated on the bid form.

For the purpose of evaluating bids for multiple awards, the sum of \$175.00 is considered to be the administrative cost to the City for issuing and administering each contract awarded. II SPECIFICATIONS

BACKGROUND:

In an effort to deal with blight related to abandoned vehicles, the Antioch Police Department has historically removed abandoned vehicles from public roadways through private towing companies. Due to the high cost associated with disposal of towed recreational vehicles, all eight of the companies on the police department's current rotational tow list have refused to tow recreational vehicles. This has resulted in an increase of derelict recreational vehicles on public roadways throughout the city that the police department is unable to have removed. The City of Antioch is looking to enter into a contract with a towing company that will compensate the company for the cost of towing, storing and possible disposal of recreational vehicles as defined in 18010 of the California Health and Safety code.

PURPOSE AND SCOPE:

The City of Antioch is requesting proposals from qualified firms to provide the City with towing, storage and possible disposal services of recreational vehicles. The scope of the work will require the proposer to be available to the police department on an on-call basis twenty-four hours a day, seven days a week. The proposer will be required to store the recreational vehicle at their facility until either the vehicle is released to the person having legal entitlement to the vehicle or disposed of as prescribed in law.

Proposers should know that the City's interest is not simply choosing a contractor who will provide towing services to recreational vehicles. Our parking enforcement and towing programs are designed to enhance the quality of life in the City of Antioch. The City seeks a contractor who can work creatively and flexibly with the City to ensure that towing activities support and compliment the parking and transportation goals of the City. Furthermore, it is critical that the towing services be provided in a courteous, professional manner that facilitates positive relationships with the City's residential and business communities and with visitors to the City of Antioch.

Recreational Vehicle Towing Services

Specific responsibilities include, but are not limited to:

1. Respond to police department requests for towing of recreational vehicles as defined under 18010 of the California Health and Safety code twenty-four hours a day, seven days a week.
2. Storage of towed vehicles at a secure facility.
3. Towed vehicles will be released to the person having legal entitlement to the vehicle only upon receipt of an Antioch Police Department vehicle release form.
4. Any unclaimed vehicles will be disposed of only after the proposer follows lien sale guidelines as prescribed in law.
5. All vehicles disposed of by the proposer will be done so properly in a manner prescribed in law.
6. The rates charged by the proposer to the owner of the vehicle will be set by the Antioch Police Department as part of the annual Tow Service Agreement.
7. The proposer will follow all other requirements outlined in the Antioch Police Department Tow Service Agreement.

PAYMENTS & INVOICING: Shall be net 30, or within 15 days if terms include discount. The invoice is to reference the P.O. number and month of service. With the request for payment each month, the contractor shall provide monthly statistics. All information is to be provided in email format and hard

copy if directed so.

EQUIPMENT & SUPPLIES: The contractor agrees to provide and maintain all equipment and uniforms required to perform the above services. Uniforms must include a name badge or tag.

The contractor's equipment is to be of top quality and in good working order at all times. If the City or its designee requests replacement equipment due to poor quality or performance the contractor will replace the equipment at his/her own expense as soon as possible.

CONTRACT LENGTH & EFFECTIVE DATES: This contract will be for a 12 month period tentatively starting April 1, 2020. The City of Antioch will perform monthly reviews of the provided services. Upon a successful 6 month review, the vendor may be given the option to renew the contract for a period not to exceed three (3) additional years.

CUSTOMER SERVICE & QUALITY ASSURANCE: Any work or assigned duties that are not performed to our standards and/or contractual agreement may result in delay, reduction or discount at the contractors expense. The judgment for reduced payment or discount shall be at the City's sole discretion. In addition, the City may move to the next lowest responsible bidder if the City is not happy with the services or communication supplied by the contractor. All complaints about services rendered will be processed by the Chief of Police or designee/s.

BUDGET: The City has budgeted approximately \$6,500/monthly for this job.

TERM: The agreement for work is 12 months. This may be extended up to 3 additional fiscal years at the price quoted. The agreement for additional years is contingent to both parties (City of Antioch and Contractor) agreeing on the respective price and volume of work.

HOURS OF OPERATION: The Contractor shall have employees available to work with City of Antioch personnel twenty-four (24) hours a day, seven (7) days a week, with an expected response time of twenty (20) minutes.

SELECTON PROCESS: Enclosed is a copy of the City of Antioch's Maintenance and Trade Service Agreement. By submitting a proposal for this work, the bidder agrees to comply with all terms and conditions outlined in the agreement. It is anticipated that from the proposals submitted, City staff will be able to select the firm best suited to meet City needs. However, if that is not possible, the City will ask a "short list" of firms to meet with staff to discuss the project and the firm's proposal. The City will award the contract to the bidder the City determines is the best qualified and presents the overall best value to the City.

No compensation will be due for any preparation of a written proposal or for meeting with staff after a "short list" has been determined.

SUBMISSION INSTRUCTIONS: The Bidder is required to submit at least 1 (one) unbound copy of their proposal.

The price quoted shall include compliance with all specifications listed above.
