It is anticipated that all items will be purchased, however the City reserves the right to change quantities prior to the award. Estimated quantities are no guarantee of a certain quantity to be ordered by City. The City reserves the right to make the award to the overall low bidder, or split the award amongst the bidders. If the bid is on an "all or nothing" basis, this must be stated on the bid form.

For the purpose of evaluating bids for multiple awards, the sum of \$175.00 is considered to be the administrative cost to the City for issuing and administering each contract awarded. - 13. Determination of acceptability of any product shall be solely at the City's discretion.

Time is of the essence, and the purchase order is subject to termination for failure to deliver on time. In no event shall the City be liable for any loss of profits on the resulting order or portion thereof so terminated. The rights and remedies of City

provided in this article shall not be exclusive and are in addition to any other rights and remedies provided by law or under resulting order. **Neither issuance of this RFP nor an award of a contract pursuant to this RFP shall be deemed a guarantee of work.
