#### About the City of Antioch

The City of Antioch is one of California's oldest cities with a burgeoning population of professionals, a variety of housing, endless outdoor activities and thriving business hubs. Antioch is the second largest city in Contra Costa County with a population of over 114,000 residents. Families with dreams of home ownership come to Antioch for its stunning neighborhoods, parks, schools, and natural environmental beauty. Market rate homes are available without the high price tag in comparison to the rest of the San Francisco Bay Area.

Antioch has a growing workforce, diverse and educated in a variety of industries. One of the City's top industries is health care. Antioch has two major hospitals. Along with Sutter Health, the newest facility is the Kaiser Permanente hospital. There is a demand for office space, products, and companies moving to Antioch that serve this industry. Our local educational institutions: Dozier-Libby Medical High School and Contra Costa Medical Career College help retain and grow this workforce.

#### **Mobility & Infrastructure**

With the recent completion of the Highway 4 widening and the scheduled Spring 2018 opening of the Bay Area Rapid Transit (BART) station and trains that will connect Antioch and the Bay Area, this \$1.3B investment through the center of Antioch has positioned our community for strong economic development. The significantly widened Highway 4 with six new interchanges and the Highway 4 to Highway 160 connector bridges have created better access and mobility to Antioch. Other commuter transportation options include daily Amtrak's San Joaquin passenger service with a depot in Antioch's historic Rivertown area and the Tri Delta Transit bus service that travels throughout east Contra Costa County. Antioch's historic Rivertown area is located along the San Joaquin river and the City is a member of the Northern Waterfront with deep water ports. With these various transportation options, Antioch easily links to the San Francisco Bay Area, Silicon Valley, Sacramento, and the Central Valley.

Commercial and private air service is available 15 miles west at Buchanan Field and located to the east is Byron Airport. Five other major airports serve the area: Oakland, San Francisco, Sacramento, San Jose, and Stockton Metropolitan Airport.

Key city infrastructure projects that will contribute to our future growth are:

- Brackish water desalinization plant in permitting process
- ➢ 2 Mega Watt Solar from NRG Energy Inc.
- $\blacktriangleright$  \$60M invested in city roads
- ► \$2.5M Transportation projects from Senate Bill 1
- ➢ \$6M committed to the North East Annexation

#### **About our Community**

Antioch is one of the most diverse cities in the Bay Area. Residents are attracted to Antioch for its open space, market rate housing, water recreation, and schools.

- Population: 114,000 +
- Number of Households: 34,000 +
- Average Household Income: 73,023
- Education: 20.4% of residents have Bachelors (2015), Graduate, or Professional degrees
