Questions and Answers

1. Can the City Provide the Original Specifications for the Lighting Fixtures Installed?

The original Specification from the build of the project are listed below. Please note: These are not as build specifications and the City makes no warranty that an alternative product was or was not submitted, approved, and installed at time of construction.

- Gardco MA221Q -250MH/XX-RA4-16-XX-AF-GFI (variation in model numbers exist for fixture that have a single head vs. two heads.
- BEGA 6295 MH-XX 277/480V
- No information was readily available for the existing fixtures to receive the proposed Green Creative 32 Watt retrofit.
- Original plans will be available for review at the pre-bid conference.

2. Modification of Pre-Bid Conference Date

Due to a City scheduling conflict, the pre-bid conference will be delayed one day to Wednesday, January, 30, 2019. All other information regarding the conference will remain the same.
