

3/16/2018

We have 33 cycles we print and mail monthly. Approximately 33,000 two sided water bills monthly, 500 (on avg) single sided weekly final notices, 375 (on avg) single sided weekly disconnection notices and 150 two sided final bills weekly for closed accounts. Almost all bills have the IMB barcode for postal permit discount mailing.

We bill most days as each cycle is calculated and readied from a file received by Public Works and route the billing data electronically to the outsource vendor for processing onto already printed paper water bill stock the vendor takes possession of annually each July. The vendor then sorts customer's bills who have multiple accounts and auto draft customers whose bills do NOT require a return envelope. There can be anywhere from 20-200 approx in each grouping. The rest of the regular water bill stack will have anywhere from 200-2000 in each grouping. These are sorted by zip code groups to obtain postage discounts as first class permit mail; 94509, 94531, 945, all other zip codes with barcodes and all bills without IMB barcodes.

Then the bill is tri folded into a #10 mailing envelope and a #9 return envelope, with an open window return with no film. These are supplied directly to the vendor quarterly to use as needed. Sample copies are also attached.

Most days as we electronically send files to the vendor, even if late afternoon, we receive an electronic file back to review and approve for the print and mail process the same day.

1. It is our understanding that the current software program we use would produce an xml extract file, raw data file. Will the attached electronic transmission file information (attached) from our software provider enable you to receive the file(s) from us? Feel free to call them with questions prior to reply to this quote at 800-646-2633.
2. If not, why? What would you need?
3. What is the cut off time for receipt of the file(s) from us daily?
4. Will the bills be mailed to the customer within one business day from receipt? Or what is your turn around time?
5. How do you ensure bills are sent out on time, and what guarantee is provided?
6. Do you have the ability to pull a bill manually from production processing? If yes, describe the process for doing so.
7. Are you able to accommodate a printed insert, from another vendor, into the outgoing envelope along with and in addition to the regular monthly water bill as well, as needed?
8. Are you able to print an insert into the outgoing envelope along with and in addition to the regular monthly water bill as well, as needed?
9. Will we be able to log in, view and track all files before, during and after processing?
10. Will we be able to log in and approve the bills online before they are printed and mailed?
11. How will we know that you received the daily batches/groups from us to reconcile the amount we sent you were received?
12. Describe the procedures for ensuring the bill file transmissions are completed successfully.
13. Describe the procedures for correcting issues.
14. Can this implementation, installation and training happen within the few months –we want to go live 7/1/2018.

ARCHIVING

15. Will the file(s) be archived the same day received on your end?
16. Describe the process for viewing archived images.
17. Describe the process for search and print capability.
18. What is the length of time the archived images are stored.

MAILING

19. What state of origin will bills be produced and mailed from?
20. Is the first class mail permit for discounted bulk rates your permit or do we have to purchase our own?
21. Will you be able to sort them into the zip code groups to ensure we receive the most benefit from the permit discounts?
22. If we have a small batch, less than the 500/150 minimums on any given day, will you batch that with another customer to get us the postage discounts?
23. Will you be able to match, group and insert multiple bills, to the same customer, into one appropriate size envelope and meter first class separately, and deliver to the USPS at the same time all other bills delivered? These bills only require a single return envelope and single insert as well.
24. Will you be able to accommodate the auto draft bills with NO inserted return envelope?
25. How many times per day will the mail be processed and delivered to the post office daily?

REPORTING

26. How will file transmission confirmation be provided to the City?
27. What information will you include in the confirmation file data to the City?

SECURITY

28. The vendor must provide necessary security to protect the City's data from unauthorized access. Provide details about the security measures and procedures in place ensuring only authorized persons are admitted to the production files and floor.
29. Describe in detail how security is handled for information shared between the vendor and the City via email or online.

CUSTOMER SUPPORT

30. What time zone are you in?
31. What are the customer support hours that will be provided to the City?
32. Provide procedures for after-hours support, if needed.
33. Provide a list of company holidays.

DISASTER RECOVERY

34. Provide disaster recovery locations and information in the case of the main facility becoming inoperable.
35. Provide a summary of the disaster recovery plan.

PAPER and ENVELOPE SUPPLIES

36. The current water bill stock and envelope contracts are in effect until June 2020. Will you be able to accept delivery and warehouse paper stock quarterly and envelope stock annually?
Inserts as desired?

ARTWORK

37. Confirm all artwork, layout, plates, negatives, proofs etc shall become the property of the City of Antioch.
38. Confirm all information printed in the utility bills shall be considered private and confidential.

Six Easy Ways to Pay

Through our Auto Draft program, you may have your monthly water utility bill automatically paid from your checking account or personal credit or debit card with the following logos (Discover, MasterCard, Visa). The City of Antioch does not charge for this service; however, your bank or credit card agency may charge you a fee for the transaction. Simply visit our website at www.ci.antioch.ca.us, scroll down to the bottom right hand corner, click on Water Payments and scroll down to print the Auto Pay Authorization Agreement form, complete and return this form in person or by mail to Finance Customer Service at 200 H St, Antioch, CA 94509.

ONLINE

To pay your bill online, visit our website at www.ci.antioch.ca.us, scroll down to the bottom right hand corner, click on Water Payments, log in and follow the simple prompts. A separate charge will appear on your statement for the convenience fee of \$1.00 (subject to change) payable to Municipal Online Payments. In addition, you may sign-up for FREE e-billing, see your account detail, transaction history, change or update your phone number and view your consumption history. ~~Internal payments made to avoid disconnection must be made ON or BEFORE the due date specified in your Final or Disconnection Notice to avoid penalties and service charges.~~

BY PHONE

To pay your bill by automated phone attendant, call Customer Service at (925) 779-7060 and follow the prompts to pay your *current* water utility bill. This service is available 24 hours a day. ~~Automated telephone payments made to avoid disconnection must be made ON or BEFORE the due date specified in your Final or Disconnection Notice to avoid penalties and service charges.~~

BY MAIL

To pay your regular, non-delinquent bill by mail, checks or money orders may be mailed to:

City of Antioch
P.O. Box 6015
Antioch, CA 94702-6015

Please be sure to detach and return the bottom portion/stub of your water utility bill and write your account number in the memo field of your payment. Return your payment in our blue return envelope. Mail payment 7-10 business days prior to due date to ensure timely delivery. No staples or paper clips please! For your protection, please do not mail cash.

Or you can always visit us in person at the City Hall building located at the corner of Third and H Streets, 200 H Street, on the ground floor, at the Customer Service/Cashier's window. Our regular walk in business hours are 8:30 a.m. — 4:30 p.m., M — F, (subject to change), excluding weekends and holidays. Cash, check (except for deposits, extensions or on a final or disconnection notice), money order, debit or credit cards (Discover, MasterCard, Visa with picture id) are accepted. To avoid long lines near payment deadlines, consider paying by one of our other convenient options.

DROP BOX

You can use our convenient night drop box to pay by check or money order however checks are **NOT** accepted for deposits, Extensions or on a Final or Disconnection notice. We have two boxes located at the City Hall building. One is a drive up box located mid parking lot at the center crosswalk. The other is located on the east side entrance to the right of the double glass entrance doors. Both are clearly marked as night drop boxes. Please be sure to include the water utility bill and write your account number in the memo field of your payment. Payments are collected at 7:30 am each working weekday for processing the same business day. The City is **NOT** responsible for cash left in the night drop box. For your protection, we encourage you to purchase a cashier's check or money order instead.

Section 6-5.04.E provides disputes regarding a water bill shall not justify non-payment, underpayment, or delay in payment. Disputed bills shall be paid when due. Requests for investigation of a disputed bill shall be made in writing to the Finance Services Supervisor. If a dispute is resolved in favor of the customer, a refund or credit shall be made.

Any type of payment returned to the City are subject to a returned item fee of \$25.00 for the first item; \$35.00 for each subsequent item. This may subject you to immediate disconnection of water service if payment was made to avoid a disconnection.
