

1. The RFP mentions on Page 5 that the objective of the RFQ is to "establish a long-term, multi-year, relationship with a vendor." Can you clarify how many years is the intended contract term of the resultant contract?

This will be established during the negotiation process.

2. The scope of this RFQ includes "Senior Server Administration." Can you provide more detail on what you're looking for in this requirement?

The selected firm will be fully responsible for administering all aspects of the web servers.
